NELSON BRADSHAW

Hey Little Ant Macmillan
In the winter of 1956,
Phillip Hoose was a
gawky, uncoordinated 9-
year-old boy just moved
to a new town-Speedway,

Indiana-and trying to fit
into a new school and
circle of friends. Baseball
was his passion, even
though he was terrible at
it and constantly shamed
by his lack of ability. But
he had one thing going for

him that his classmates could never have-his second cousin was a pitcher for the New York Yankees. Don Larsen wasn't a star, but he was in the Yankees' rotation. And on October 8, 1956, he pitched perhaps the greatest game that has ever been pitched: a perfect game (27 batters up, 27 out) against the Brooklyn Dodgers in the World Series. It forever changed Phil's life. Perfect, Once Removed, recalls with pitch-perfect clarity the angst and jubilation of Phil Hoose's

9th year. To be published on the 50th anniversary of The Perfect Game, it will be one of the best baseball books of 2006.

The true story of the Edelweiss Pirates, working-class teenagers who fought the Nazis by whatever means they could. Fritz, Gertrud, and Jean were classic outsiders: their clothes were different, their music was rebellious, and they weren't afraid to fight. But they were also Germans living under Hitler, and

any nonconformity could get them arrested or worse. As children in 1933, they saw their world change. Their earliest memories were of the Nazi rise to power and of their parents fighting Brownshirts in the streets, being sent to prison, or just disappearing. As Hitler's grip tightened, these three found themselves trapped in a nation whose government contradicted everything they believed in. And by the time they were teenagers, the Nazis expected them to be part

of the war machine. Fritz, Gertrud, and Jean and hundreds like them said no. They grew bolder, painting anti-Nazi graffiti, distributing anti-war leaflets, and helping those persecuted by the Nazis. Their actions were always dangerous. The Gestapo pursued and arrested hundreds of Edelweiss Pirates. In World War II's desperate final year, some Pirates joined in sabotage and armed resistance, risking the Third Reich's ultimate punishment. This is their story.

Discover an extraordinary tale of innocence, friendship and the horrors of war. 'Some things are just sitting there, minding their own business, waiting to be discovered. Like America. And other things are probably better off left alone' Nine-year-old Bruno has a lot of things on his mind. Who is the 'Fury'? Why did he

make them leave their nice home in Berlin to go to 'Out-With' ? And who are all the sad people in striped pyjamas on the other side of the fence? The grown-ups won't explain so Bruno decides there is only one thing for it - he will have to explore this place alone. What he discovers is a new friend. A boy with the very same birthday. A boy in striped pyjamas. But why can't they ever play together? 'A small wonder of a book' Guardian BACKSTORY: Read an interview with the author JOHN BOYNE

Somewhere There Is Still a Sun Square Fish

"When it comes to justice, there is no easy way to get it. You can't sugarcoat it. You have to take a stand and say, 'This is not right.'" - Claudette Colvin
On March 2, 1955, an

impassioned teenager, fed up with the daily injustices of Jim Crow segregation, refused to give her seat to a white woman on a segregated bus in Montgomery, Alabama. Instead of being celebrated as Rosa Parks would be just nine months later, fifteen-year-old Claudette Colvin found herself shunned by her classmates and dismissed by community leaders. Undaunted, a year later she dared to challenge segregation again as a key plaintiff in *Browder v. Gayle*, the landmark case

that struck down the segregation laws of Montgomery and swept away the legal underpinnings of the Jim Crow South. Based on extensive interviews with Claudette Colvin and many others, Phillip Hoose presents the first in-depth account of an important yet largely unknown civil rights figure, skillfully weaving her dramatic story into the fabric of the historic Montgomery bus boycott and court case that would change the course of American history. Claudette Colvin

is the National Book Award Winner for Young People's Literature, a Newbery Honor Book, A YALSA Award for Excellence in Nonfiction for Young Adults Finalist, and a Robert F. Sibert Honor Book.

HE'S BACK AND HE'S FUHRIOUS! "Desperately funny . . . An ingenious comedy of errors." --Janet Maslin, The New York Times "Satire at its best." --Newsweek "Thrillingly transgressive." --The Guardian A NEW YORK TIMES SUMMER READING PICK In this record-breaking bestseller, Timur Vermes imagines what would happen if Adolf Hitler reawakened in

present-day Germany: YouTube stardom. Adolf Hitler wakes up on a patch of open ground, alive and well. It's the summer of 2011 and things have changed--no Eva Braun, no Nazi party, no war. Hitler barely recognizes his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognize him--as a flawless impersonator who refuses to break character. The unthinkable happens, and the ranting Hitler goes viral, becomes a YouTube

star, gets his own TV show, and people begin to listen. But the Fuhrer has another program with even greater ambition in mind--to set the country he finds in shambles back to rights. With daring humor, *Look Who's Back* is a perceptive study of the cult of personality and of how individuals rise to fame and power in spite of what they preach. [Hitler Youth: Growing Up in Hitler's Shadow](#) (Scholastic Focus) Versify Critically acclaimed Sibert Honor author Deborah Hopkinson brings to bold

life the remarkable story of the Danish resistance and rescue of over 7,000 Jews during WWII. When the Nazis invaded Denmark the morning of Tuesday, April 9, 1940, the people of this tiny country to the north of Germany awoke to a devastating surprise. The government of Denmark surrendered quietly, and the Danes were ordered to go about their daily lives as if nothing had changed. But everything had changed. Award-winning author Deborah Hopkinson traces the

stories of the heroic young men and women who would not stand by as their country was occupied. Rather, they fought back. Some were spies, passing tactical information to the British; some were saboteurs, who aimed to hamper and impede Nazi operations in Denmark; and 95% of the Jewish population of Denmark were survivors, rescued by their fellow countrymen, who had the courage and conscience that drove them to act. With her extraordinary talent for digging deep in

her research and weaving real voices into her narratives, Hopkinson reveals the thrilling truth behind one of WWII's most daring resistance movements.

ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a

powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with

this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose

children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Post's 10 Best Books of the Year "It's no exaggeration to say that *Behave* is one of the best nonfiction books I've ever read." —David P. Barash, *The Wall Street Journal* "It has my vote for science book of the year." —Parul Sehgal, *The New York Times* "Immensely readable, often hilarious...Hands-down one of the best books I've read in years. I loved it." —Dina Temple-Raston, *The Washington Post*
From the bestselling author of *A Primate's Memoir* and the

forthcoming *Determined: A Science of Life Without Free Will* comes a landmark, genre-defining examination of human behavior and an answer to the question: Why do we do the things we do? *Behave* is one of the most dazzling tours d'hORIZON of the science of human behavior ever attempted. Moving across a range of disciplines, Sapolsky—a neuroscientist and primatologist—uncovers the hidden story of our actions. Undertaking some of our thorniest questions relating to

tribalism and xenophobia, hierarchy and competition, and war and peace, *Behave* is a towering achievement—a majestic synthesis of cutting-edge research and a heroic exploration of why we ultimately do the things we do . . . for good and for ill.

At the outset of World War II, Denmark did not resist German occupation. Deeply ashamed of his nation's leaders, fifteen-year-old Knud Pedersen

resolved with his brother and a handful of schoolmates to take action against the Nazis if the adults would not. Naming their secret club after the fiery British leader, the young patriots in the Churchill Club committed countless acts of sabotage, infuriating the Germans, who eventually had the boys tracked down and arrested. But their efforts were not in vain: the boys' exploits and eventual imprisonment helped spark a full-blown Danish resistance. Interweaving

his own narrative with the recollections of Knud himself, here is Phillip Hoose's inspiring story of these young war heroes. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

"Among the wealth of good Holocaust literature available, Freedman's

volume stands out for its focus and concision, effectively placing the White Rose in its historical context, telling the story of Nazi Germany without losing the focus on the White Rose, and doing so in just over 100 pages." (Kirkus starred review) In his signature eloquent prose, backed up by thorough research, Newbery medalist and nonfiction master Russell Freedman tells the story of Austrian-born Hans Scholl and his sister Sophie. They belonged to Hitler Youth as young

children, but began to doubt the Nazi regime. As older students, the Scholls and a few friends formed the White Rose, a campaign of active resistance to Hitler and the Nazis. Risking imprisonment or even execution, the White Rose members distributed leaflets urging Germans to defy the Nazi government. Their belief that freedom was worth dying for will inspire young readers to stand up for what they believe in. Archival photographs and prints, source notes,

Lost in the Pacific, 1942: Not a Drop to Drink (Lost #1) Farrar, Straus and Giroux (BYR) A Nazi hunter uncovers a fugitive SS doctor's terrifying plot to create a Fourth Reich in The Boys from Brazil, a riveting techno-thriller from the incomparable master of suspense, Ira Levin. Veteran Nazi hunter Yakov Liebermann finds himself entangled in a web of unimaginable horror when he is tipped off to a sinister conspiracy

hatching in the depths of South America: a plan to establish a new, globe-spanning Fourth Reich. Why has Dr. Josef Mengele—Auschwitz’s fiendish “Angel of Death”—tasked a team of former SS men with the slaughter of ninety-four harmless, aging men across the globe? What hidden link binds these men together? What significance could they possibly hold for their pursuers? With the clock ticking, and the future of humanity hanging in the balance, can the ailing

Liebermann take on a seemingly unstoppable enemy and alter the course of history? Adapted into the film starring Gregory Peck and Laurence Olivier, *The Boys from Brazil* is a gripping, thought-provoking thriller that explores the depths of human malevolence, and the eternal struggle between good and evil. **Caging Skies** Macmillan A wildly creative Gothic fantasy retelling of *Frankenstein*, *This Monstrous Thing* is a wholly new reimagining of

the classic novel by Mary Shelley and is perfect for fans of retellings such as *Cinder* by Marissa Meyer, fantasy by Libba Bray and Cassandra Clare, and alternative history by Scott Westerfeld. In an alternative fantasy world where some men are made from clockwork parts and carriages are steam powered, Alasdair Finch, a young mechanic, does the unthinkable after his brother dies: he uses clockwork pieces to bring Oliver back from the dead. But the resurrection does not go as planned,

and Oliver returns more monster than man. Even worse, the novel Frankenstein is published and the townsfolk are determined to find the real-life doctor and his monster. With few places to turn for help, the dangers may ultimately bring the brothers together—or ruin them forever.

My name is Lucie Blaise. I am sixteen years old. I have many aliases, but I am none of the girls you see. What I am is the

newest recruit of Covert Ops. And we are here to take down Hitler. After the Nazis killed my brother on the North African front, I volunteered at the Office of Strategic Services in Washington to do my part for the war effort. Only instead of a desk job at the OSS, I was tapped to join the Clandestine Operations—a secret espionage and sabotage organization of girls. Six months ago, I was deployed to German-occupied France to gather intelligence and eliminate Nazi targets. My current

mission: Track down and interrogate a Nazi traitor about a weapon that threatens to wipe out all of Western Europe. Then find and dismantle the weapon before Hitler detonates it. But the deeper I investigate, the more danger I'm in. Because the fate of the free world hangs in the balance, and trusting the wrong person could cause millions of lives to be lost. Including my own.

Front Lines Farrar, Straus and Giroux (BYR)
An epic, genre-bending, and transformative new

series that reimagines World War II with female soldiers fighting on the front lines. World War II, 1942. A court decision makes women subject to the draft and eligible for service. The unproven American army is going up against the greatest fighting force ever assembled, the armed forces of Nazi Germany. Three girls sign up to fight. Rio Richlin, Frankie Marr, and Rainy Schulterman are average girls, girls with dreams and aspirations, at the start of their lives, at the

start of their loves. Each has her own reasons for volunteering: Rio fights to honor her sister; Frankie needs money for her family; Rainy wants to kill Germans. For the first time they leave behind their homes and families—to go to war. These three daring young women will play their parts in the war to defeat evil and save the human race. As the fate of the world hangs in the balance, they will discover the roles that define them on the front lines. They will fight the greatest war

the world has ever known. Perfect for fans of *Girl in the Blue Coat*, *Salt to the Sea*, *The Book Thief*, and *Code Name Verity*, from New York Times bestselling author Michael Grant.
