I haven't met a character in this series that I haven't liked yet!" -Nice and Nau Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark

is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

"Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to

play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. *** In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out

of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. "A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." -Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs,

and a look that rivaled “The Rock.” The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I’d ever seen, and I couldn’t wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia’s journey as an escort to twelve clients in twelve different locations. Quand Pretty Woman rencontre Gossip Girl... Voilà Mia dans la capitale, Washington, DC. Elle n'est pas très enthousiaste sur sa mission du mois, puisqu'elle doit jouer la compagne de Warren Shipley, un homme âgé et surtout l'un des plus riches businessmen des États-Unis. Elle doit lui servir de faire valoir vis-à-vis des hommes d'affaires qu'il veut approcher. Mais elle va vite changer d'avis lorsqu'elle est accueillie par Aaron Shipley le fils de Warren. Aaron est non seulement irrésistible physiquement, raffiné, mais aussi le plus jeune sénateur des États-Unis. À trente-cinq ans, il est riche comme Crésus, célibataire, et fait les couvertures de tous les magazines du pays. Mia, qui

pensait que la politique était un monde ennuyeux, va s'apercevoir qu'il n'y a rien de plus excitant que la démocratie. Et, pourtant, il va lui falloir beaucoup de force et de courage pour surmonter de bien tristes événements. Heureusement, elle sera bien entourée...
