Western Civilization
Volume 1 4th Edition Plus
Wiesner Discovering
Western Past Volume 1

5th Edition Houghton
Mifflin College Division
This successful western
history version of the
popular Discovering series
provides a broad range of

both visual and written sources within a unique pedagogical framework. Its unique structure promotes critical thinking, sharpens analytical skills, and builds student interest in the subject matter. The text emphasizes historical study as interpretation rather than memorization of data, with actual documents and artifacts from which students develop answers to historical questions. *Western Civilization, Volume A, 4th Ed + Discovering Western Past,*

Volume 1, 5th Ed
Houghton Mifflin
This primary source reader in the popular DISCOVERING series contains a six-part pedagogical framework that guides students through the process of historical inquiry and explanation. The text emphasizes historical study as interpretation rather than memorization of data. Each chapter is organized around the same pedagogical framework: The Problem, Background, The Method, The Evidence, Questions

to Consider, and Epilogue. Volume 1 of the Eighth Edition integrates new documents and revised coverage throughout. For example, there are new chapters on creation stories and culture in colonial America, the transition to racial slavery in Virginia, women's rights, and Civil War nurses. Learning

This successful Western history version of the popular Discovering series provides a broad range of both visual and written sources. The unique pedagogical framework includes The Problem, Sources and Method, The Evidence, Questions to Consider, and Epilogue and Evaluation sections in each chapter. This structure promotes critical thinking, sharpens analytical skills, and builds student interest in the subject matter. The text emphasizes historical

study as interpretation rather than memorization of data, with actual documents and artifacts from which students develop answers to historical questions. [Western Civilization Complete Brief 5th Edition Plus Wiesner Discovering Western Past Volume 1 5th Edition](#) Cengage Learning
This successful Western history version of the popular Discovering series provides a broad range of both visual and written sources. The unique pedagogical framework

includes The Problem, Sources and Method, The Evidence, Questions to Consider, and Epilogue and Evaluation sections in each chapter. This structure promotes critical thinking, sharpens analytical skills, and builds student interest in the subject matter. DISCOVERING THE WESTERN PAST: A LOOK AT THE EVIDENCE, Volume II: Since 1500, Seventh Edition, emphasizes historical study as interpretation rather than memorization of data, with actual

documents and artifacts from which students develop answers to historical questions--and learn to think like historians. Significantly revised, this edition includes four new chapters: "Royal Power and Overseas Expansion, 1450-1540" (Ch. 2); "Motherhood, Nationalism, and Women's Political Role, 1848-1940" (Ch. 10); "Cold War Cultures: Visions of the 'Good Life' in East and West" (Ch. 13); and "Europe and the Iraq War" (Ch. 14).
