Written in response to the Hawk's Nest Tunnel disaster of 1931 in Gauley Bridge, West Virginia, *The Book of the Dead* is an important part of West Virginia's cultural heritage and a powerful account of one of the worst industrial catastrophes in American history. The poems collected here investigate the roots of a tragedy that killed hundreds of workers, most of them African American. They are a rare engagement with the overlap between race and environment in Appalachia. Published for the first time alongside photographs by Nancy Naumburg, who accompanied Rukeyser to Gauley Bridge in 1936, this edition of *The Book of the Dead* includes an introduction by Catherine Venable Moore, whose writing on the topic has been anthologized in *Best American Essays*.

#1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton's

uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for *Heaven is for Real*: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of *Same Kind of Different as Me*
