[7 Secrets to be a father on earth like the Father in heaven](#) ReadHowYouWant.com Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves—helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is

captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse... *Show Us The Father* Bookouture Perfect for fans of The Hazel Wood, this genre-bending page-turner from New York Times bestselling author Madeleine Roux follows two girls who transport themselves into the world of their favorite book only to encounter the sinister alternate reality that awaits them. No matter how different best friends Adelle and Connie are, one thing they've always had in common is their love of a little-known gothic romance novel called Moira. So when the girls are tempted by a mysterious man to enter the world of the book, they hardly suspect it will work. But suddenly they are in the world of Moira, living among characters they've obsessed about for years. Except...all is not how they remembered it. The world has been turned upside down: The lavish balls and star-crossed love affairs are now interlaced with unspeakable horrors. The girls realize that

something dark is lurking behind their foray into fiction—and they will have to rewrite their own arcs if they hope to escape this nightmare with their lives. When his disciples asked Jesus why he spoke in parables, Jesus did not say that the parables made his teachings easier to understand. Instead, he indicated that many people would misunderstand his parables. He suggested that they were spoken in a code that would only be understood by believers. "To you has been given to know the secrets of the kingdom

of heaven, but to them it has not been given," he said (Matthew 13:11). What secrets are these? They are the identity of Jesus-truly and completely God, truly and completely human, and the world's only Savior and Redeemer-and the mission of Jesus-to live a sinless life in the place of his people, and to offer that life as a sacrifice to redeem his people. Lacking knowledge of those secrets, the parables of Jesus appear to be lessons about how to live as Christians. Knowing those secrets, the parables are revealed as descriptions of how to have eternal life through the work of Jesus-his sinless life, his sacrificial death, and his victorious resurrection. This book guides the reader to understand the parables of Jesus according to the secrets of the kingdom of heaven. It helps the reader to become that disciple described by Jesus: "Every scribe who has been trained for the kingdom of heaven is like the master of a house, who brings out of his treasure what is new and what is old" (Matthew 13:52).

This is a book about life after death as provided to me through journaling and a

series of extraordinary events by my wife, Suzette Delashmet Shockley, after her demise. When these events started to happen, I, having not known or even thought about life after someone has passed was in disbelief. I researched and kept an open mind. Because of these happenings and my research, I now know that when a person loses a good friend, a spouse, a child, or other loving relationship, the deceased person can come through. The stronger the love vibrations, the easier and the stronger the connection between them will be. In shock and deep despair over the death of his beloved wife, Suzette Delashmet Shockley-Barcafer, Ward Barcafer struggled to live his life. But to his surprise, he began hearing Sue's voice coming through to him from her life in Heaven! ... (Paula Lenz) This profound inner play from the light of love gives insight to the presence of heaven on earth and the continual expression of earth connection to what is called Heaven. The depth and breadth of their love is known as a harmonic love. ... (Dr. Patty Luckenbach) For those of a skeptical nature, the proof of life after death is

undeniable. For those who are grieving, the intimacy and teachings are comforting. For those who are curious, these are remarkable stories. ... (Marcia Beachy) In this intimate journal of his experiences with Suzette and his spirit guides, Ward walks us through spirit to spirit connection and communication that has no barriers separating the earthly and ethereal realms. Suzette selflessly shares with us, through Ward, what life is like for a soul in Heaven ... (Dr. Ruth Anderson) *Reading the Parables of Jesus As He Intended War in Heaven* What is heaven like? What is your soul's purpose? Can you unlock your divine potential? With advances in modern medicine enabling more and more people to be brought back from the brink of death, it is now possible to paint a vibrant picture of what lies beyond. It is also possible to discover more about our spiritual destiny from near death experiences. Each afterlife experience offers us powerful clues into our soul's purpose, and in this fascinating new book Theresa Cheung unveils these life-changing truths, or insights, as the Ten Secrets of Heaven. It is only through our

understanding of their meaning on earth that we can discover heaven and eternal life. After explaining each of the ten secrets, Theresa will show how heaven can disguise itself in aspects of daily life, such as health, career, money, love & relationships and life goals, and also during times of crisis, such as when we are depressed, grieving, lacking direction or experiencing heartbreak. Truly understanding how the Ten Secrets of Heaven can be harnessed for our wellbeing will bring enlightenment, peace and joy. It will also leave no doubt that nothing in this life is as it seems and death is not the end.
