The New York Times bestselling author of *The Billionaire* and the *Virgin* returns with a tale of Shakespearean-style seduction... Edie's an overbearing cat behaviorist who's not big on people. Magnus is a newly-rich game developer

who likes to be in control. When the two of them meet at Gretchen and Hunter's masquerade engagement party, the loathing is mutual. Unfortunately for them—and everyone else—they're in the wedding party together and must deal with each other for the next few months. But when Magnus's younger brother falls for Edie's sister, he begs for his brother's help in concocting a plan to win her over. If Magnus can keep the prickly Edie occupied, his brother will have time to woo Edie's sister. Of course, Magnus

isn't interested in the slightest, but Edie is...intriguing. And stubborn. And smart. And sexy. And they might have more in common than they thought. Before long, it becomes a challenge between the two of them to see who will be tamed first. But how's Edie going to react when she finds out that Magnus is using her? And how's Magnus going to handle the fact that he's fallen for a cat lady? An Uplifting International Romance
 Forever
 The Billionaire's Son - The Series The Billionaire's Son is an erotic romance series packed with intrigue, danger,

secrets, powerful billionaires, clandestine sex clubs and sizzling sex scenes. The heroine, Julia, has nothing but disdain for the impossibly sexy, Derek, when they first meet. He's an arrogant, spoiled playboy who seems to catch Julia at every turn in humiliating and compromising situations. As the mystery unfolds, Julia and Derek are thrown together and sparks fly. Ultimately, they not only find the answers they are searching for, but much more than they ever expected. The Billionaire's Son - Part 1 At the request of Jackson Vaughn himself, Julia has been working at the billionaire's estate for weeks. In all the time she's been there, she has never run into a single soul besides staff. One day, after showering off at the poolside cabana, Julia discovers her clothes

missing. Her timing couldn't be worse, because today there's a special visitor. The Billionaire's Son is a ~7,000 word erotic romance which contains explicit depictions of sexual acts including voyeurism, masturbation, threesome, light bdsm, spanking and much more. A lie turns to love in the latest novel from the New York Times bestselling author of The Taming of the Billionaire. Billionaire Sebastian Cabral loves his family, he just doesn't love their reality

TV show, *The Cabral Empire*. So when his ex-girlfriend tries to rekindle their relationship on camera, Sebastian decides that drastic measures are in order. By day, Chelsea Hall is a happy-go-lucky, rough and tumble roller derby skater. By night, she's still living in fear of her past. Most of all, she just doesn't want to be alone. And she really, really doesn't want to date. So when their mutual friends' upcoming wedding turns Chelsea and Sebastian into fast friends, they realize they can solve both of their problems with one life-changing lie: a quick trip down the aisle. But with one kiss, Chelsea and Sebastian suddenly realize that their pretend relationship is more real than either of them expected.... Includes an exclusive preview of *Last Hope*, the latest Hitman

A laugh-out-loud romantic comedy
Broadway Books

Two people whose past ensures they can never fully trust again Jill can play with Andrew Weston. She can have fun with him. She can even have a wild, no-strings-attached rebound fling with him. But she can't lose my heart to him. Because if they fall in love and that love died the way her ex-husband's love for her died, she wouldn't be able to handle it. She can't go through that again. Not with the sexy billionaire from her past

who tempts her at every turn. He's falling for Jill Walsh. He knows it's happening but can't stop it. But no matter what happens, he can't let her know how he feels. Sharing feelings makes you vulnerable and he can't let himself be vulnerable to a woman like that again. So he'll keep his feelings a secret while he uses his vast fortune to make sure she marries him and never walks away. 5-star billionaire romance that will have you turning pages to the very end! Reuniting with the Billionaire was originally published in a shorter version as part of the Sutton Capital Series. It's a stand-alone book that can be read in any order in the series.

The Billionaire's Vinegar Brookings Institution Press

The authors present the results of their

landmark systematic study of 120 self-made billionaires—including extensive interviews with Steve Case, Mark Cuban and T. Boone Pickens Jr.—focusing on their conclusion that self-made billionaires have the “producer” mindset, or the tendency to redefine what's possible and think up entirely new products, services, strategies and more.

Reflections on the Upper Crust Sweet River Publishing

A colorful and revealing portrait of the rise of India's new billionaire class in a radically unequal society India is the world's largest democracy, with more than one billion people and an economy expanding faster than China's. But the rewards of this growth have been far from evenly shared, and the country's top 1% now own nearly 60% of its

wealth. In megacities like Mumbai, where half the population live in slums, the extraordinary riches of India's new dynasties echo the Vanderbilts and Rockefellers of America's Gilded Age, funneling profits from huge conglomerates into lifestyles of conspicuous consumption. James Crabtree's *The Billionaire Raj* takes readers on a personal journey to meet these reclusive billionaires, fugitive tycoons, and shadowy political power brokers. From the sky terrace of the world's most expensive home to impoverished villages and mass political rallies, Crabtree dramatizes the battle between crony capitalists and economic reformers, revealing a tense struggle between equality and privilege playing out against a combustible backdrop of

aspiration, class, and caste. The *Billionaire Raj* is a vivid account of a divided society on the cusp of transformation—and a struggle that will shape not just India's future, but the world's.

[Seduced by the Billionaire \(Billionaires & Babies, #3\)](#) Harlequin Treasury-Harlequin Presents 90s

Overnight billionaires, the Beaumont brothers are thrust into life in the fast lane with exotic cars, private jets . . . and sex and success on their minds. A commanding presence in the boardroom and the bedroom, Deacon Beaumont has come to save the failing company French Kiss. He was born to be boss in this glamorous new world of lacy lingerie and stunning supermodels. But one bold and beautiful woman dares to question his

authority. Olivia Harrington has dedicated her life to the company's success. Just because Deacon is sexy as hell doesn't mean he'll make a better CEO. With a limitless supply of push-up bras and garter belts, Olivia turns her considerable feminine charms on Deacon to discover what makes him tick . . . and reveals instead the billion reasons why she wants him to stay. *The Complete Collection: Mine for Tonight, Mine for Now, Mine Forever, Mine Completely* Princeton University Press

He needs a wife. She needs a paycheck. But neither expect the heat in their marriage of convenience. No one puts CEO Jack Sutton in a corner, not even his mother... or her will. If he wants his inheritance, he needs to be married, but

no one said the marriage had to be anything other than a business arrangement. There are plenty of willing women, and they'll play by the rules: stick to the script and don't fall in love. He only has to find one in time. Too bad he only left himself a few hours. Kelly Bradley made it into the law school of her dreams, but she has no way to pay and the tuition deadline is fast approaching. Marrying a billionaire might be a bit drastic, but spending one year on his arm will make all her problems go away... if she can keep her heart in check. That's never been a problem in the past. It's a business arrangement, but when one thing leads to another will Jack be able to let Kelly go? Or can he find a way to renegotiate the deal of his life? This is a standalone book in the

Sutton Billionaires Series. A shorter version of this book was previously published in the Sutton Capital Series under the title Legal Ease.

Surprising the Billionaire with a Baby
Cara Shannon

Zoe Farmington writes romance for a living, but her own love life is in shambles. After being dumped, she finds the humiliation is worse than the heartache. When a spunky old woman at the grocery store invites Zoe over for pie, there is more on the menu than she bargained for. Tech-billionaire Austin Graves spends too much time working to consider a long-term relationship. When he finds the woman of his dreams lounging by his pool and discovers her financial predicament, Austin remedies the situation with his no nonsense

business approach. He proposes a contract that could benefit them both. Zoe's troubles might be solved, but will her story end with a happily-ever-after? Austin starts falling for his fiancé, but love wasn't part of the deal.

The Billionaire's Proposition in Paris
Caught by the Billionaire Nail the crooked billionaire. Simple enough, until he changed the rules. The directive was clear: get Vincent Benson. The undercover assignment would make or break Ashley's FBI career. Could she take down her one-time high school sweetheart? Vincent gets a cryptic, threatening note. Then, an employee hacks his computer. He jumps at the chance to hire the one person he can trust: the girl from his past, Ashley. When their mutual attraction re-ignites,

the rules go out the window. Moves by an unseen enemy unite them in a search for the truth. It has to end badly for one of them. What will happen when the opposition makes a move to checkmate? If you like powerful, driven heroes, the strong, intelligent women who tame them, and intriguing twist-filled plots, you'll love Erin Swann's seventh steamy standalone romance in the Covington Billionaire series. Buy *Caught by the Billionaire* and be surprised when love finds a way today!

How to be a Billionaire
Proven Strategies from the Titans of Wealth

In 2016, when millions of Americans voted for Donald Trump, many believed his claims that personal wealth would free him from wealthy donors and allow him to “drain the swamp.” But then

Trump appointed several billionaires and multimillionaires to high-level positions and pursued billionaire-friendly policies, such as cutting corporate income taxes. Why the change from his fiery campaign rhetoric and promises to the working class? This should not be surprising, argue Benjamin I. Page, Jason Seawright, and Matthew J. Lacombe: As the gap between the wealthiest and the rest of us has widened, the few who hold one billion dollars or more in net worth have begun to play a more and more active part in politics—with serious consequences for democracy in the United States. Page, Seawright, and Lacombe argue that while political contributions offer a window onto billionaires' influence, especially on economic policy, they do not present a

full picture of policy preferences and political actions. That is because on some of the most important issues, including taxation, immigration, and Social Security, billionaires have chosen to engage in “stealth politics.” They try hard to influence public policy, making large contributions to political parties and policy-focused causes, leading policy-advocacy organizations, holding political fundraisers, and bundling others’ contributions—all while rarely talking about public policy to the media. This means that their influence is not only unequal but also largely unaccountable to and unchallengeable by the American people. Stealth politics makes it difficult for ordinary citizens to know what billionaires are doing or mobilize against it. The book closes with

remedies citizens can pursue if they wish to make wealthy Americans more politically accountable, such as public financing of political campaigns and easier voting procedures, and notes the broader types of reforms, such as a more progressive income tax system, that would be needed to increase political equality and reinvigorate majoritarian democracy in the United States.

A Sweet Best Friend's Brother Romance (Silicon Valley Billionaires Book 1) Penguin

Collects four novellas previously issued in the Billionaire's obsession series.

A Secret Baby Romance Princeton University Press

Seven snarly, grumpy jerkfaces. Seven years ago. One secret. I will not stop until

I hunt down every last person responsible for the incident. Until then... I fight, I build my empire. Become a billionaire in my own right. Women... they are simply irritants. So why is every encounter so empty? Meaningless. What am I searching for...? Who am I in quest of..? Will I know her when I see her? How will it be to hold her, have her, possess her, Make her... MINE! This is the prequel to the Big Bad Billionaires an enemies to lovers, fake relationship, billionaire romance series. 1-CLICK NOW
The Billionaire Deal (The Sutton Billionaires Book 1) Billion-Dollar Family Billionaires are extremely rare, and their mindset differs hugely from ordinary millionaires. The author worked with some of the very best entrepreneurs and distilled their secrets into 20 principles

that enabled them to start from zero and create billions in value. This book gives you the roadmap to follow their path to extreme wealth and success.

Emma Holly

The book is intended to be motivation for anyone out there who want to be rich and achieve financial freedom. It is based on the lives, contributions and secrets of the World's richest billionaires, and how they succeed in business and life. It is a must-read for future Millionaires and Billionaires!

The Billionaire's Apprentice John Wiley & Sons

Meet the Billionaires: the 1,645 men and women who control a massive share of global assets worth \$6.5 trillion. Darrell West reveals what the other 99.99998% of us need to know. With rich anecdotes

and personal narratives, West goes inside the world of the ultra wealthy. Meet U.S. billionaires such as Sheldon Adelson, Michael Bloomberg, David and Charles Koch, George Soros, Tom Steyer, and Donald Trump—as well as international billionaires from around the globe. The growing political engagement of this small supra-wealthy group raises important questions about influence, transparency, and government performance, and West lays bare the wealthification of politics, including:

- How billionaires can block appointments and legislation they don't like
- Why the supra-wealthy moved into policy advocacy and referenda at the state level
- Why billionaires run for office in more than a dozen countries around the world

The Ultra-Wealthy and the Remaking of the American West Arabella Quinn
 "A truly enlightening work filled with fundamental strategies that have worked for others. Martin Fridson documents the essential principles inherent in every billionaire's success." - Gordon Bethune Chairman of the Board and CEO Continental Airlines
 Self-made billionaires all have one thing in common: they excel at making money. But hard work, thrift, and focus are only part of the story—you hold the rest of it in your hands. *How to Be a Billionaire* is the first comprehensive picture of the real strategies and tactics that built the great business fortunes of modern times. Packed with engaging accounts of titans like Ross Perot, Richard Branson, Phil Anschutz, John D. Rockefeller, Wayne

Huizenga, Bill Gates, J. Paul Getty, and Kirk Kerkorian, *How to Be a Billionaire* will show you principles that can increase your wealth and business acumen to the mogul level. *How to Be a Billionaire* looks at the careers, the methods, and the minds of self-made billionaires to distill the common keys to titanic accumulations of wealth. Each chapter explores a specific strategy and brings it to life through extended profiles of past and present masters of the art of making money. Do you think innovation is the best way to prosper in business? Sam Walton, founder of the Wal-Mart retail chain, would tell you otherwise. The key to Walton's success was supreme devotion to copying the methods of other successful discounters. What could be less complicated than

buying low and selling high? But the ascent of Warren Buffett, John Kluge, and Laurence Tisch to billionaire status depended on much more than an eye for good bargains. And if you're looking to thrive by outmanaging the competition, look no further than Richard Branson. When the founder of Virgin Atlantic needed to reduce his staff by 400 people, 600 volunteered to take off a few months on sabbatical. *How to Be a Billionaire* identifies the methods, beliefs, and behaviors every businessperson must understand and emulate to reach the pinnacle of riches. A manual for success that can benefit every aspiring tycoon, it is a fascinating read for anyone intrigued by wealth and how it's gotten. Praise for *HOW TO BE A BILLIONAIRE* "How to Be a Billionaire

offers fascinating insight into the subject of building wealth. As a result of his exhaustive research, Martin Fridson is able to explain the wealth-creation process from a unique perspective. As the reader will discover, there is no single formula for success, but there are certain categories into which these concepts can be placed. My personal advice is to remember the words of Winston Churchill who said, 'Success is the ability to go from one failure to another with no loss of enthusiasm.'" - Ross Perot "Martin Fridson has created the ultimate roadmap to the American Dream. He comes as close to extracting a formula for the acquisition of wealth as any book I have ever read." -Jeff Sagansky CEO, Paxson Communications "Martin Fridson's book has a number of

very insightful and thoughtful analyses, something you don't pick up in many business schools." -Philip F. Anschutz Chairman and CEO, The Anschutz Corporation "How to Be a Billionaire is a powerful arsenal of dead-on strategies for increasing your personal wealth and business acumen. Marty Fridson details the tactics of self-made billionaires with great intelligence and insight. I wish this book had been available when I was starting my career." -Spencer Hays Founder, Tom James Company Executive Chairman, Southwestern/Great American, Inc. Chairman, Athlon Publications [Billionaire Wilderness](#) Cara Shannon They have it all...except the one thing that matters most. Recently laid off from a top tech firm, Alyssa Kennedy is

staying with her childhood best friend, Emily, and helping out at her coffee shop. When Emily's brother, Jeremy, returns home from an extended business trip, Alyssa has to confront her long-buried feelings. Jeremy was her first crush but to him, she'd always been his little sister's best friend. She's never gotten over her hurt that he stood her up for her senior prom. Jeremy Owens barely recognizes the beautiful woman standing in front of him. He'd always thought of her as his sister's best friend, although he'd long suspected she had a crush on him. She's grown into a woman since the last time he saw her, and suddenly his world has been turned upside down. Alyssa doesn't have time to deal with her unresolved feelings toward Jeremy. She's starting her own

marketing firm, which means lining up new clients and promoting her best friend's cafe, which is struggling. As co-owner of that cafe, though, Jeremy has a vested interest in its success. He doesn't miss any opportunity to work alongside Alyssa to try to save it. As her feelings for Jeremy start to deepen, Alyssa knows she has to find it in her heart to forgive Jeremy for hurting her so many years ago. But will it be enough to heal the wounds? The Silicon Valley Billionaires series is a sweet, clean contemporary billionaire series filled with swoon-worthy heroes and plenty of romantic moments. *The Baby the Billionaire Demands* HarperCollins Australia
After a troubling childhood, wealthy Evan Sinclair likes his life orderly and controlled. He rarely gives in to

spontaneous urges--until he begins a chance correspondence with a mystery woman who sounds like his complete opposite. She intrigues and amuses him, and the interest seems mutual...which is more than he can say for his current obsession, Miranda Tyler, the tough-as-nails, sexy schoolteacher who's made it clear she's not impressed--or interested. Miranda finally has it all: a good job, friends, and the security of living in the quaint coastal town of Amesport, Maine. She even has an anonymous pen pal--a man she's never met yet has bonded with almost effortlessly. The only thing unsettling her life is Evan Sinclair. The handsome billionaire is arrogant, pompous, and far too used to getting his way. Miranda tries her best to avoid him, until Evan's steamy kiss turns her world

upside down. Soon their red-hot desire is scorching the sheets and has them both spinning out of control. But when secrets are revealed, will their insatiable attraction keep them together or force them apart? In J.S. Scott's *The Billionaire's Touch*, the eldest Sinclair just might have met his match.

The Billionaire's Last-Minute Marriage
Portfolio

NATIONAL BESTSELLER “The Social Network, the much anticipated movie...adapted from Ben Mezrich’s book *The Accidental Billionaires*.” —The New York Times Best friends Eduardo Saverin and Mark Zuckerberg had spent many lonely nights looking for a way to stand out among Harvard University’s elite, competitive, and accomplished student body. Then, in 2003, Zuckerberg

hacked into Harvard's computers, crashed the campus network, almost got himself expelled, and was inspired to create Facebook, the social networking site that has since revolutionized communication around the world. With Saverin's funding their tiny start-up went from dorm room to Silicon Valley. But

conflicting ideas about Facebook's future transformed the friends into enemies. Soon, the undergraduate exuberance that marked their collaboration turned into out-and-out warfare as it fell prey to the adult world of venture capitalists, big money, and lawyers.
