3000 Direct Academic Vocabulary Instruction Teacher Created Materials

This edited volume provides a single coherent overview of vocabulary teaching and learning in relation to each of the four skills (reading, writing, listening, speaking). Each of the four sections presents a skill area with two chapters presented by two leading experts in the field, relating recent advances in the field to the extent that each skill area relates differently to vocabulary and how this informs pedagogy and policy. The book opens with a summary of recent advances in the field of vocabulary, and closes by drawing conclusions from the skill areas covered. The chapters respond to emerging vocabulary research trends that indicate that lexical acquisition needs to be treated differently according to the skill area. The editors have chosen chapters to respond to recent research advances and to highlight practical and pedagogical application in a single coherent volume.

Wordly Wise 3000 Book 2 Teacher Created Materials

This book uses a powerful mnemonic technique, the keyword method, to lock 1413 SAT and GRE words into the reader's memory quickly and easily. Dramatic improvements can be made in vocabulary size, reading comprehension, and scores on verbal exams. Since standard intelligence tests have significant verbal components, a major increase in vocabulary such as can be facilitated by this book should increase IQ scores. Here's how it works: Take the word DEFENESTRATE, which means to throw out of a window. This word is too limited in use to be in the book, but we want to demonstrate the method by having you actually learn a new word. The next time you encounter DEFENESTRATE, think DEFEND THE STREET. That's called the "key." Now, to "link" the key to the definition, imagine your town invaded by enemy troops, and citizens defending the streets by throwing objects out of the windows at them. So, in the format of Build Your Vocabulary Skills!, we have the following:DEFENESTRATE (duh FEN es trate) to throw out of a windowKEY: DEFEND THE STREETLINK SENTENCE: The townfolk defended their streets against the inemy invaders by throwing things out of the windows at them.Now, answer the following without looking at the

above:DEFENESTRATEWhat is the KEY?What is the LINK SENTENCE?So, what does DEFENESTRATE mean?Drill yourself on this a couple of times and you'll never forget it. We have no suggestions as to how you could work this word into a conversation, but Build Your Vocabulary Skills! has over 1400 more useful words, each with pronunciation, definition, dey and links, so don't defenestrate this book on that account.
