NEW YORK TIMES

EDITORS' CHOICE • A young woman searches for the truth about her father—and the secrets of her family—in this “big-hearted debut that absolutely crackles with smarts” (Emma Straub). “A warm and funny debut novel . . . perceptive, wry, and witty.”—The New York Times Two years out of college, Ellie Adler has a job in journalism, an older lover, and a circle of smart friends. Her beloved father, James, who has children from three marriages, unites the family with his gentle humor and charisma, but Ellie has always believed she is her father's favorite. When he suddenly dies, she finds herself devastated by the unexpected loss. Then, at the reading of his will, she learns that instead of leaving her his prized possession—a baseball that holds emotional

resonance for them both—he has left her a seemingly ridiculous, even insulting gift. Worse, he's given the baseball to someone no one in the family has ever heard of. In her grief, Ellie wonders who could have possibly meant more to her father than she did. Setting out to track this person down, she learns startling information about who her father really was and who she herself is becoming. Moving, witty, and unforgettable, *The Catch* is a story of the gifts we're given over the course of a lifetime, by family, friends, and strangers—the ones we want and the ones that catch us unawares. [How to Catch a Reindeer](#) Scribner Since her father's death, twenty-three-year-old Lydia Miller stays busy, trying to keep the family farm afloat. It leaves little time to think and to regret what she did. Her mother runs the local bakery and unexpectedly sells their home without Lydia's thoughts on the matter. Worse, they now must live with the local widower, and Lydia is expected to care for his children. Nothing in life has prepared her for the resistance she will face or the quick attachments

she makes. Widower Silas Graber fell right into the Bishop's plan. He did need help, but he thought he was getting Hazel Miller not her daughter with a chip on her shoulder. Her ways are nothing like his late wife's, and it's clear she knows nothing about raising children. However, he can't help but notice how she quickly breathes life back into his world. And his children notice it, too. Before long, she has become a part of their lives, and she starts learning to leave the past behind her. And falls in love. But she's not so certain Silas is ready to give his heart away again. Neither is he.

How to Catch

Sometimes the best fly is a simple one. Whether you're a beginner looking to get started with tying or an expert looking to get back to the basics, these simple wet flies, nymphs, dry flies, and streamers will often catch fish as well as—if not better than—more complex patterns. This guide shows you all the techniques, tools, and materials you need to get started. • Techniques for tying quick, durable, and effective flies • Simple flies from history, plus

interviews with modern anglers such as Chico Fernández, Bob Wyatt, Daniel Galhardo, and Chris Stewart • Contains flies for and inspired by tenkara fishing
Contagious Harlequin
 Teenager Tim Temples must decide if he wants to leave his comfortable life in a small town and go to college.

To Catch a Hummingbird
 National Geographic Books

A clear and brilliant look at the ethics of fly fishing and what we must do to ensure the survival of the tradition.

The uproarious, bestselling true story of the world's most sought-after con man, immortalized by Leonardo DiCaprio in DreamWorks' feature film of the same name, from the author of Scam Me If You Can.

Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams, and Robert Monjo, was one of the most daring con men, forgers, imposters, and escape artists in history. In his brief but notorious criminal career, Abagnale donned a pilot's uniform and copiled a Pan Am jet, masqueraded as the supervising resident of a hospital, practiced law without a license, passed himself off as a college sociology professor, and cashed over \$2.5 million in forged checks, all before he was twenty-one. Known by the police of twenty-six foreign countries and all fifty states as "The Skywayman," Abagnale lived a sumptuous life on the lam—until the law caught up with him. Now recognized as the nation's leading authority on

financial foul play, Abagnale is a charming rogue whose hilarious, stranger-than-fiction international escapades, and ingenious escapes—including one from an airplane—make *Catch Me If You Can* an irresistible tale of deceit.

Catch the Light Penguin
 Cats and dogs rule—and wreak humorous havoc—in this innovative picture book that reads from front to back and back to front! In this action-packed follow-up to *Find Me: A Hide-and-Seek Book*, readers will delight in tracking a sly cat, Big Meow, and an elusive dog, Little Woof, through 11 richly detailed scenes populated with dogs, cats, and other cute creatures. Finding each protagonist is made even more fun with vibrant color changes on every page. Open the book from the front to search for Big Meow, then open the book from the back to turn the tables and catch Little Woof. It's two seek-and-find experiences in one book!

How to Catch a Mole: Wisdom from a Life Lived in Nature

Algonquin Books

In the latest novel from the New York Times bestselling author of *How to Paint a Cat*, there are choppy waters ahead... A

serial killer with a peculiar penchant for City Hall interns is on the loose in San Francisco, and it's up to me—and my two cats, Rupert and Isabella—to put a stop to the spree. Unfortunately, worrying about my uncle Oscar's failing health and assisting with the interim mayor's America's Cup regatta doesn't leave me with much opportunity to chase down clues. Could the key to apprehending the killer be found in San Francisco's sailing history? The first European vessel to pass through the Golden Gate contained a familiar cast of human—and feline—passengers as well as an elusive killer who used a similar murder weapon. Will the past catch up to the present in time to crack the case?

Catch a Wishing Star (Shimmer and Shine)
Stackpole Books
From Newbery Medalist Avi comes the thrilling and suspenseful story of an ordinary American family who falls under suspicion during the 1950s Red Scare. It's 1951, and twelve-year-old Pete Collison is a regular kid who loves detective stories and radio crime dramas. When an FBI agent shows up at Pete's doorstep, accusing Pete's

father of being a Communist, Pete is caught in a real-life mystery. Could there really be Commies in his family? PRAISE FOR CATCH YOU LATER, TRAITOR: "Suspenseful . . . Authentic period details--such as popular radio programs and the ongoing rivalry between the Dodgers and the Giants--add a colorful backdrop to Pete's quest as he navigates the murky gray area between truth and fiction. An excellent introduction to the frenzy of the McCarthy era."
—Publishers Weekly, starred review "Avi, a master of historical fiction, vividly recreates not only the neighborhoods and pop culture of period Brooklyn, but the runaway paranoia that dominated daily life in the early years of the Cold War. With each clue Pete uncovers, the tension picks up, engaging readers in solving the dual mystery of his father's past and identifying his accuser whose name is kept a well-concealed surprise until the last moment . . . As a mystery, historical fiction, and love letter to 1950s Brooklyn, this novel succeeds on every level."
—School Library Journal, starred review "Avi's tale

of one Brooklyn family living in a time of intolerance effectively explores the natures of suspicion, loyalty, and freedom, following a young protagonist who comes to learn the importance of freedom of speech and 'staying true to your own thoughts.'"
—The Horn Book Magazine "An involving, twisty mystery, grounded by the palpable emotional threat of Pete's father being taken away. An accomplished historical mystery by one of kid lit's most reliable craftspeople." —Booklist "Thought-provoking . . . Avi builds Pete's story, told in the first person, with page-turning tension and memorable characters that will leave readers with a strong sense of the insidious power wielded by the FBI and McCarthyites."
—Kirkus Reviews A Spring 2015 Kids' Indie Next List Pick A Junior Library Guild Selection

Catch of the Day Simon and Schuster
After an unexpected twist of fate, All-Star catcher Easton Wylder is left questioning the loyalty of everyone around him. Even the woman who shares his bed, Scout Dalton. But if Easton thought being uprooted to

the last place he expected was the only challenge life had to throw at him, he was dead wrong. With an ailing shoulder and his career in limbo, his decision to make an unexpected change leads him to question everything - Scout's love, family loyalties, and whether he can conquer the one obstacle he's never been able to overcome. The secret he's never shared with anyone. He may be a man pushed to his limits, but he's hell-bent on proving his worth no matter the cost.

Catch You Later, Traitor

Chronicle Books LLC
"He had decided to live forever, or die in the attempt." — *Catch-22* The men of the 57th Bomb Wing flew out of Corsica during World War II and bombed vital bridges throughout Italy to sabotage German supply routes. Their missions were dangerous and

never-ending. One bombardier in the wing was a young New Yorker named Joseph Heller, who would later turn his experience into the classic 1961 war novel *Catch-22*. Now aviation historian Thomas McKelvey Cleaver takes a closer look at the real-life men of the 57th, whose camaraderie in the face of death inspired the raucous cast of heroes and antiheroes in *Catch-22*. [A Year of Playing Catch](#) Skyhorse Publishing Inc. Finding a good man in a small town has never been so difficult! Perpetually single Maggie Beaumont almost believes that her perfect man is out there waiting for her. With her infamous romantic past—including a failed long-term relationship with her high school sweetheart and a dead-end crush on the new priest, Father Tim O'Halloran—it's becoming more and more difficult to picture anyone rolling into the small town of Gideon's Cove, Maine, just to sweep Maggie off her feet. So when Father Tim offers to set Maggie up on a series of blind dates, she decides she has nothing to lose and lets him play matchmaker. After a few bad dinners, including one

date who doesn't even show up, Maggie is ready to give up dating for good. But then romantic salvation appears in the form of sullen local fisherman Malone. Malone has always been dark and silent—not exactly Maggie's ideal future partner. But as Maggie learns more about this mysterious man, she realizes that there's a heart of gold underneath his salty exterior, and she wonders if Malone could be a good catch after all. Previously published. *Allocation of Statewide-reported MRFSS Catch and Landings Statistics Between Areas* Thomas Nelson Search for your favourite mobs in this official Minecraft Search and Find book! [Beyond Catch & Release](#) Vinspire Publishing INVESTIGATIVE REPORTERS & EDITORS Book Award, Finalist 2014 "A fascinating discussion of a multifaceted issue and a passionate call to action" --Kirkus From the acclaimed author of *Four Fish* and *The Omega Principle*, Paul Greenberg uncovers the tragic unraveling of the nation's seafood supply—telling the surprising story of why Americans stopped eating from their own

waters in American Catch In 2005, the United States imported five billion pounds of seafood, nearly double what we imported twenty years earlier. Bizarrely, during that same period, our seafood exports quadrupled. American Catch examines New York oysters, Gulf shrimp, and Alaskan salmon to reveal how it came to be that 91 percent of the seafood Americans eat is foreign. In the 1920s, the average New Yorker ate six hundred local oysters a year. Today, the only edible oysters lie outside city limits. Following the trail of environmental desecration, Greenberg comes to view the New York City oyster as a reminder of what is lost when local waters are not valued as a food source. Farther south, a different catastrophe threatens another seafood-rich environment. When Greenberg visits the Gulf of Mexico, he arrives expecting to learn of the Deepwater Horizon oil spill's lingering effects on shrimpers, but instead finds that the more immediate threat to business comes from overseas. Asian-farmed shrimp—cheap, abundant, and a perfect vehicle for the frying and sauces

Americans love—have flooded the American market. Finally, Greenberg visits Bristol Bay, Alaska, home to the biggest wild sockeye salmon run left in the world. A pristine, productive fishery, Bristol Bay is now at great risk: The proposed Pebble Mine project could under-mine the very spawning grounds that make this great run possible. In his search to discover why this precious renewable resource isn't better protected, Greenberg encounters a shocking truth: the great majority of Alaskan salmon is sent out of the country, much of it to Asia. Sockeye salmon is one of the most nutritionally dense animal proteins on the planet, yet Americans are shipping it abroad. Despite the challenges, hope abounds. In New York, Greenberg connects an oyster restoration project with a vision for how the bivalves might save the city from rising tides. In the Gulf, shrimpers band together to offer local catch direct to consumers. And in Bristol Bay, fishermen, environmentalists, and local Alaskans gather to roadblock Pebble Mine. With American Catch, Paul Greenberg proposes a

way to break the current destructive patterns of consumption and return American catch back to American eaters. *Catch Me If You Can* Simon and Schuster With an epilogue on recent Russian spying, a "page-turner of a memoir" (Publishers Weekly) about an American civilian with a dream, who worked as a double agent with the FBI in the early 2000s to bring down a Russian intelligence agent in New York City. For three nerve-racking years, from 2005 to 2008, Naveed Jamali spied on America for the Russians, trading thumb drives of sensitive technical data for envelopes of cash, selling out his beloved country across noisy restaurant tables and in quiet parking lots. Or so the Russians believed. In fact, Jamali was a covert double agent working with the FBI. The Cold War wasn't really over. It had just gone high-tech. "A classic case of American counterespionage from the inside...a never-ending game of cat and mouse" (The Wall Street Journal), *How to Catch a Russian Spy* is the story of how one young man's post-college-adventure became a real-life

intelligence coup. Incredibly, Jamali had no previous counterespionage experience. Everything he knew about undercover work he'd picked up from TV cop shows and movies, yet he convinced the FBI and the Russians they could trust him. With charm, cunning, and bold naiveté, he matched wits with a veteran Russian military-intelligence officer, out-maneuvering him and his superiors. Along the way, Jamali and his FBI handlers exposed espionage activities at the Russian Mission to the United Nations. Jamali now reveals the full riveting story behind his double-agent adventure—from coded signals on Craigslist to clandestine meetings at Hooter's to veiled explanations to his worried family. He also brings the story up to date with an epilogue showing how the very same playbook the Russians used on him was used with spectacularly more success around the 2016 election. Cinematic, news-breaking, and "an entertaining and breezy read" (The Washington Post), *How to Catch a Russian Spy* is an armchair spy fantasy brought to life.

[Can't Catch a Break](#) Knopf Books for Young Readers
The unsuspecting death of fast-living Roger O'Bannon at the Wrecker's Ball turns into a murder mystery when a second body is discovered, a situation that prompts "Harry" Haristeen and her feline sleuth, Mrs. Murphy, to find a connection between the two vi
[Catch-22](#) National Geographic Books
How many great catches have there been in the history of the NFL? Hundreds? Thousands? Mention "The Catch," though, and fans will think of only one: Joe Montana to Dwight Clark, the NFC Championship game, the Dallas Cowboys vs. the San Francisco 49ers, January 10, 1982. It changed the game and The Game. This is the story of the pieces that fell into place to allow it to happen and what it meant to the players, to the fans, and to the future of professional football. Drama like this couldn't be scripted any better. Dallas was still reigning as America's team. San Francisco was hungry for a ticket to its first Super Bowl. With less than a minute left, the 49ers were one touchdown and extra point away from

pulling it off, six yards from the end zone. Too Tall Jones and the Cowboys' celebrated defense were primed to stop Montana and the 49ers. The play came in from head coach Bill Walsh: Sprint Right Option. It almost never worked in practice. But this was game on. It had to work. Montana took the snap and rolled right. With 700 pounds of prime defensive talent bearing down on him, leaning backward, in his last moment of upright balance, Montana sent the ball to the back of the end zone. The primary receiver had slipped and was not in place. But the secondary receiver, Dwight Clark, was streaking toward the corner, leaping higher than he ever had or ever would again. With his arms reaching for the sky, his fingers splayed, he snatched the impossibly high pass, briefly lost control, regained it . . . touchdown! Franchises, careers, lives, and dynasties all changed in that moment. Sports journalist Gary Myers was there, and now with fresh revelations from key players, including Montana, Clark, Ronnie Lott, Randy Cross, Tony Dorsett, Drew Pearson,

Charlie Waters, and others, he takes fans back to an iconic game and one of the NFL's most breathtaking plays. Myers presents new details on the rise of Montana and the 49ers and the fall of the '80s Cowboys. He reveals what Bill Walsh saw in an overlooked third-round draft pick named Joe Montana and how Walsh accidentally

discovered Dwight Clark. He shows how legendary Dallas head coach Tom Landry, who as reputed did put winning first, was not above crying over players whose personal careers had to come second. He celebrates forgotten heroes like journeyman running back Lenvil Elliott, who picked that particular game—and that final drive down the

field—to shine. It's all here, from the death threat that spooked Montana during the game to 49ers owner Eddie DeBartolo's bad luck when his view of the historic play was literally blocked by a horse's ass. The Catch is both the ultimate replay of a sports moment for the ages and a penetrating look into the inner dynamics of the NFL.
