Discusses collecting baseball cards and gives prices for complete card sets and individual cards since 1948

### **Baseball Card Alphabetical Checklist**

Dens Collectors Den

"An entertaining history of baseball cards . . . An engaging book on a narrow

but fascinating topic" (The Washington Post). When award-winning journalist Dave Jamieson's parents sold his childhood home a few years ago, he rediscovered a prized boyhood possession: his baseball card collection. Now was the time to cash in on the "investments" of his youth. But all the card shops had closed, and cards were selling for next to nothing online. What had happened? In *Mint Condition*, his fascinating, eye-opening, endlessly entertaining book, Jamieson finds the answer by tracing the complete story of this beloved piece of American childhood. Picture cards had long been used for advertising, but after the Civil War, tobacco companies started slipping them into cigarette packs as collector's items. Before long, the cards were wagging the cigarettes. In the 1930s, cards helped gum and candy makers survive the Great Depression. In the 1960s, royalties from cards helped transform the baseball players association into one of the country's most powerful unions, dramatically altering the game. In the '80s and '90s, cards went through a spectacular bubble, becoming a billion-dollar-a-year industry before all but disappearing, surviving today as the rarified preserve of adult collectors. *Mint Condition* is charming, original history brimming with colorful characters, sure to delight baseball fans and collectors. "Jamieson explores the history of card collecting through an entertaining cast of characters . . . For anyone who can recall being excited to rip open their newest pack of cards, *Mint Condition* is a treat." —Forbes

*Beckett Basketball Card Price Guide*  
Penguin

Beckett Football Card Price Guide

Beckett Media

The number one recognized source for prices and the most valuable information from the nation's most trusted expert, this book includes more than 290,000 prices listed. Illustrated throughout.

Baseball Card Price Guide Beckett Media

In Fantagraphics' ceaseless effort to rediscover every world-class cartoonist in the history of the medium, we turn your attention to a neglected part of the art form—sports cartooning—and to its greatest practitioner—Willard Mullin. The years 1930-1970 were the Golden Age of both American sports and American comic strips, when giants strode their respective fields—Babe Ruth, Lou Gehrig, and Hank Aaron in one, George (Krazy Kat) Herriman, Milton (Steve

Canyon) Caniff, Walt (Pogo) Kelly in the other—and Mullin was there, straddling both fields, recording every major player and event in the mid-20th-century history of baseball. Mullin was to baseball players what Bill Mauldin was to soldiers: advocate and critic, investing them with personality, humanity, dignity, and poignancy; Mauldin had Willie & Joe and Mullin had the Brooklyn Bum, his affectionate 1939 character representing the bedraggled figure of the Brooklyn Dodgers. Willard Mullin's *Golden Age of Baseball: Drawings 1934-1972* collects for the first time Mullin's best drawings devoted to baseball—depictions of players like Joe DiMaggio, Ted Williams, Yogi Berra, and Sandy Koufax, legendary managers like Casey Stengel and George Steinbrenner, and events like Lou Gehrig's emotional retirement speech on July 4, 1939, for which Mullin not only drew a portrait but composed a poem (which he often incorporated into his cartoons). Mullin's fluid line and delicate but vigorous brushwork are shown to beautiful effect, with many drawings reproduced from original art. See why millions of baseball fans from the '30s to the '70s looked forward to Mullin's cartoons in their daily paper.
