The New York Times bestselling author of the Tangled books returns with the third standalone romance in the Legal Briefs series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate—and prized—parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie & Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore—she's a Washington, DC, prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery exchange only makes him want her more—and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.

A magnificent new romance by New York Times bestselling author Emma Chase. Dean Walker is all about keeping life simple. He's effortlessly talented and intelligent—spending his summers playing drums in the local band and the rest of the year teaching high school in the same Jersey town where he grew up. He likes his love life simple too, enjoying the commitment-free hook-ups his good looks and sexy charm have always made oh so easy. Then he meets Lainey Burrows. And his simple, easy life gets turned upside down. One wild one-night stand was all it was ever supposed to be, so Lainey is shocked when she discovers that her sizzling summer fling is also her son's new math teacher. But that's nothing compared to the most unexpected twist of all—their hot hook-up left Lainey knocked up, and now they're about to become parents. Together. What ensues is an addictive, insatiable, sweet and tender romance that won't be simple, but it will be more than worth the fight. "This story was fast paced, wickedly sharp and, brought to life by supremely stellar narration, it's another unputdownable story I never wanted to end." -Jessica, Angie and Jessica's Dreamy Reads "Getting Played is equal parts funny, sexy, sweet and moving and is superbly narrated by the well-matched team of Andi Arndt and Zachary Webber, who deftly portray both the lighthearted, humorous banter and the more emotional dialogue and intimate moments. The story pulled me in from the start and kept me thoroughly engaged and entertained until it's sigh-worthy, romantic happily ever after, and it is guaranteed to give the listener all the feels." -Mary Dube, Frolic Media "Getting Played is a downright panty melting, sweep you off your feet audiobook! Throw in the dynamic narration of Andi Arndt and Zachary Webber, that just brought the storyline to a whole new level bliss!! Abigail Haddock is stunning, sensible, and some would say...stuffy. But it's not really her fault. She was raised in one of Wessco's oldest, most affluent, aristocratic families—"stuffy" is their middle name. So is successful. Abby's working overtime to distinguish herself as a top-notch physician, just as her family legacy demands. She doesn't have time for nonsense. Tommy Sullivan's all about nonsense. Sure, he's an elite bodyguard with lethal skills and co-owner of the renowned, S&S Securities Firm—protector of the wealthy and titled. But he's also rowdy, fun and thoroughly irresistible. Tommy knows how to have a good time, and he's never seen someone more in need of a good time than Abby. The lass needs long, wet, filthy kisses—STAT—and he's just the man for the job. It doesn't take long for a wildly sexy, sinfully satisfying, no-strings attached arrangement to turn into something more. Something sweet and addictive and real. But Tommy and Abby are too royally stubborn to admit it. Opposites attract, everyone knows that. But can their red-hot relationship last—can they love...for forever?

Emma Chase, New York Times bestselling author of the Tangled series, returns with a funny, romantic, sexy story! A knight in tarnished armor is still a knight. When you're a defense attorney in Washington, DC, you see firsthand how hard life can be, and that sometimes the only way to survive is to be harder. I, Jake Becker, have a reputation for being cold, callous, and intimidating—and that suits me just fine. In fact, it's necessary when I'm breaking down a witness on the stand. Complications don't work for me—I'm a "need-to-know" type of man. If you're my client, tell me the basic facts. If you're my date, stick to what will turn you on. I'm not a therapist or Prince Charming—and I don't pretend to be. Then Chelsea McQuaid and her six orphaned nieces and nephews came along and complicated the ever-loving hell out of my life. Now I'm going to Mommy and Me classes, One Direction concerts, the emergency room, and arguing cases in the principal's office. Chelsea's too sweet, too innocent, and too gorgeous for her own good. She tries to be tough, but she's not. She needs someone to help her, defend her...and the kids. And that—that, I know how to do.

The lines we once crossed so easily have widened and torn us apart... Once upon a time I thought Finn and I would live happily ever after, but real life doesn't always have a happy ending. He's testing my trust, and I'm losing faith in the man I thought I'd spend the rest of my life with, and there's nothing I can do to stop it. He's the one I trusted to keep me safe, but now he's the source of my greatest pain... Forgiveness is fragile, and some fractures never fully heal... One mistake--a slip in a moment of weakness--might cost me everything I've worked so hard for. The thing about trust is that it's a lot easier to lose than it is to build. Just as I'm about to give up and surrender to the demons from my past, an unexpected threat reminds me what I'm best at: protecting the woman I love. Whether or not she wants me, I will fight for Carrie and our daughter, and I will keep them safe--no matter the cost. Even if I have to put my life and my heart on the line.
