## JAZMYN ORTIZ

---

*American History* McGraw-Hill Education

Features a compilation of newspaper, magazine, and journal articles relating to issues in American history. Designed for non-specialized survey courses, this text presents a fair sampling of articles that incorporate newer approaches to the study of history as well as more traditional ones.

**The American Past** Wentworth Press

Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

*American History* Cengage Learning

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's *American History* provides students and instructors with a broad, comprehensive approach to the American past. It offers not only a scrupulous account of American political and diplomatic history, but also a deep exploration of the many other fields that are central to a critical understanding of the nation's past: social, cultural, economic, and urban history, including the histories of the South and the West, the environment, science and technology, race, ethnicity, gender, and the global context of the American experience.

*American History* Master Books

The *American Past* emphasizes political history, yet provides balanced coverage of social, economic, and cultural events. Conlin's lively, literary narrative captures and keeps student interest. This textbook is appropriate for the American History survey course at both two-year and four-year schools.

*American History* Cengage Learning

Criticizes the way history is presented in current textbooks, and

suggests a more accurate approach to teaching American history. *American History* Rowman & Littlefield

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge new scholarship, the seventh edition of *America's History* is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths — balance, comprehensiveness, and explanatory power — as well as its outstanding visuals and extensive primary-source features, authors James Henretta, Rebecca Edwards, and Robert Self have shaped *America's History* into the ideal resource for survey classes.

*Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition* McGraw-Hill/Dushkin

This is Volume II (Since 1865) of THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, Seventh Edition. Now in its Seventh Edition, Conlin's introductory American history text continues to offer a colorful and engaging look at the individuals, events, and ideas that have shaped our nation's past. Accessible and lively, it emphasizes political history, yet provides balanced coverage of social, cultural, economic, intellectual, constitutional, diplomatic, and military events. Consistent scholarship and a unique organization make this book comprehensive and manageable, while new chronologies offer students quick reference and easy review of the major events and movements covered in each chapter. The text benefits from Conlin's literary narrative, which lends a unifying voice that captures and holds students' interest. THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, SEVENTH EDITION is available in the following split options: THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, Comprehensive, Seventh Edition (Chapters 1-51), ISBN: 0534621368; THE AMERICAN PAST, VOLUME I: TO 1877, Seventh Edition (Chapters 1-25), ISBN: 0534621376; THE AMERICAN PAST, VOLUME II: SINCE 1865, Seventh Edition (Chapters 25-51), ISBN: 0534621384.

*Lies My Teacher Told Me* Wadsworth Publishing Company

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song

of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

**The American Past: A Survey of American History, Volume I: To 1877** W. W. Norton

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

*American History* W.W. Norton & Company

No descriptive material is available for this title.

*American History* McGraw-Hill Humanities, Social Sciences & World Languages

America's past is full of politics as well as personal stories. That's why Conlin's THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY teaches history the way it happened: real people with real stories. Through short narratives from political figures' lives, you'll discover how our nation grew from a colonial project to an

international superpower. Along the way, you'll find the human dimension emphasized with the stories of men and women of different regional, socioeconomic, and ethnic backgrounds described in colorful detail. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*American History* Wadsworth Publishing Company

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*America's History* New Leaf Publishing Group
