 Receive healing for your emotional wounds and discover your destiny as God's daughter with this 90-day devotional

by internationally renowned Bible teacher Joyce Meyer. *Healing the Soul of a Woman* delved deeply into Joyce Meyer's personal story and the journey of healing for all women. Despite suffering from years of abuse, abandonment, and betrayal by those closest to her, Joyce firmly believes a woman who has been deeply hurt by life's circumstances can be healed, heart and soul. Her steadfast claim comes from living her own journey of soul healing, and from seeing so many women who don't believe they can fully overcome their pain--or even know where to begin--find the guidance they need in the life-changing wisdom of the Bible. Now, in this companion devotional, Joyce will guide you through 90 daily readings to encourage you through whatever obstacles may be holding you back from finding your true destiny. God can heal your pain, and He wants to do this in you. Let *HEALING THE SOUL OF A WOMAN DEVOTIONAL* be an inspiration in your journey toward the wonderful, joyful future God has planned for you.

You can be anchored during any ordeal you face in life. God allows us to face the wilderness experience in each of our lives. In order to triumph over this encounter, we must take our eyes off what we see and feel. This is a time of testing for your inner man. Author Darlene Caulton, in her riveting book, *Healing Your Inner Man*, shows you ways in which you can focus on and trust in God, not on your current situation. She beautifully points out that we are in the wilderness for a purpose: so that he can make and mold us. We must be still and listen for God to speak to our hearts. In *Healing Your Inner Man*, Darlene uses scriptural passages, as well as experiences from her own life, to show you how to gain strength from any crises, mishaps, or other negative life occurrences that are thrown your way, causing you grief. Using spiritual cognitive behavioral therapy, you will succeed in eradicating regrets and abolishing negative speech as you learn to extinguish words that are contrary to what God has said about you. In doing so, you too will be able to accept freedom from mental strongholds. With this book, you will learn how to break free from the mental chains that plague your life and keep your happiness at bay. Pick up *Healing Your Inner Man* today and be inspired to escape the mental strangleholds in your life.

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

In *The Art of Healing Prayer*, Charles Ringma and Mary Dickau invite us to enter the realm of God's curative love to aid those seeking the wholeness of Christ. Implicit in this invitation is the understanding that we have opened up our own lives to God's healing grace. For this is a costly ministry, in which precious time and resources will be required of us as we pray biblically, imaginatively and sensitively for someone who may be on a very difficult journey to restoration. Although often carried out behind the scenes of much of the Church's activity, the healing ministry is one of joy and transformation. A person released from long-standing inner woundedness - from the prison of reaction, bitterness, self-pity, self-protection and fear - is one who can grow to inhabit new wide spaces of love and forgiveness. In turn, they may become a source of goodness and healing, as the 'magic' of God's grace results in eddies of life-giving love for others.

Today—as repeated attempts to "fix ourselves and our lives" fail—many of us face unprecedented fears about the future, struggle with unspeakable life tragedies, and sink under the belief that certain lives do not matter in our society. Others confront our epidemic of anxiety with fierce resistance, or "the fight to be right," criticizing anyone and everyone just to end up stuck. In the face of such pervasive human suffering, New York Times best-selling author and legendary life coach Iyanla Vanzant challenges us: What if it's not them—what if it's you? What if you need to "get over it"—and get over yourself? Because no matter how much we would like to blame people and circumstances beyond our control, the truth is staggeringly simple: anything and everything we experience is a function of what and how we think. In *Get Over It!* Iyanla offers a unique spiritual technology called "thought therapy," a process that harnesses proven spiritual tools with the science of neuroplasticity. The 42 prayers and affirmations, and complementary energy-clearing tools at the heart of the thought therapy process are designed to neutralize and eliminate the unconscious, unproductive, soul-destroying dominant negative thought patterns (DNTPs) and discordant emotional energies, allowing you to get to the root cause of your personal suffering, and make life-affirming choices. If you're ready to break free of your ego's resistance and willing to face yourself, willing to change, and willing to heal and grow—then now's the time to *Get Over It!*

INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair - Moody Bible

Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling *A Warrior's Prayerbook for Spiritual Warfare*. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. This is the second of a major revision of the book that was originally called, "3 Days to Defeat Cancer." To say this is a major revision does not accurately describe this work because of the scope and comprehensive material that is now covered. Far more than "How I Defeated Cancer and how you can too," the added material brings truth for overcoming many other issues that we face in life in addition to defeating cancer or other major diseases. Addressed are reasons people fail to be healed, how to position yourself so you can be healed when you receive prayer, how to keep your healing, overcoming many of the hindrances to physical healing, the role of forgiveness in healing, the difference between authentic and false forgiveness, the necessary steps to bring genuine forgiveness, healing of heart wounds, positive steps to build faith, belief, a godly identity, and steps to develop intimacy with the Lord. In the Appendix are worksheets and prayers to overcome hindrances to healing, and to bring healing to wounds in our hearts, along with prayers to bring life to you.
