Why don't we feel the moment when we fall in love but always remember when it ends? Akash is young, single and conservative with a preference for girls with brains than in miniskirts. One day, he runs into free-spirited Aleesha at a local discotheque. A mass-media student, Aleesha is a pampered brat, the only child of her parents who dote on her. This brief meeting leads them to exchange their BlackBerry PINs and they begin chatting regularly. As BlackBerry plays cupid, they fall in love. When they hit a rough patch in their life, Aditya, Akash's close pal, guides them through it. But just when they are about to take their relationship to the next level, a sudden misfortune strikes. Can Aditya bring Akash's derailed life back on track? *It Started with a Friend Request* is a true story which will make you believe in love like never before.

I'm Tom Weekly. You think you've made mistakes? I've made more. Every single word in this book is true. I do know someone with the worst case of nits in history. Stella Holling used chocolate to trick me into kissing her again. My sister, Tanya, truly is an evil genius. And as weird as it sounds, I really did ask Jack to help me mine my teeth for cash. It's embarrassing, but it's true. Bonus stuff inside this book: 1. Test your dad for Cranky Dad Syndrome 2. Make your own slime 3. Have your brain removed

Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our

workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the

course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

Looking to get lucky? Stephanie Plum is back between-the-numbers and she's looking to get lucky in an Atlantic City hotel room, in a Winnebago, and with a brown-eyed stud who has stolen her heart. Stephanie Plum has a way of attracting danger, lunatics, oddballs, bad luck . . . and mystery men. And no one is more mysterious than the unmentionable Diesel. He's back and hot on the trail of a little man in green pants who's lost a giant bag of money. Problem is, the money isn't exactly lost. Stephanie's Grandma Mazur has found it, and like any good Jersey senior citizen, she's hightailed it in a Winnebago to Atlantic City and hit the slots. With Lula and Connie in tow, Stephanie attempts to bring Grandma home, but the luck of the Irish is rubbing off on everyone: Lula's found a job modeling plus-size lingerie. Connie's found a guy. Diesel's found Stephanie. And Stephanie has found herself in over her head with a caper involving thrice-stolen money, a racehorse, a car chase, and a bad case of hives. Plum Lucky is an all-you-can-eat buffet of thrills, chills, shrimp cocktail, plus-size underwear, and scorching hot men. It's a between-the-numbers treat no Evanovich fan will want to miss!

Five Point Someone Ballantine Books
Five college friends have arrived at forty in very different circumstances, but with

at least one thing in common: they are among the more privileged in society. Elizabeth and Sara are lawyers, Martha is a doctor, Carmen is a wealthy and well-educated homemaker, and Heather, the most successful, is a famous tech executive—and after more than two decades of friendship, they know one another better than anyone. Then Heather writes a women’s advice book detailing the key life “mistakes” of her four friends—opting out, ramping off, giving half effort, and forgetting your fertility—that becomes wildly popular, and Elizabeth, Sara, Martha, and Carmen all feel the sting of Heather’s cruel words. Despite their status, these women face everyday obstacles, including work problems, parenting challenges, secondary infertility, racism, sexism, financial stress, and marital woes—and as they weather their fortieth year, each one can’t help but wonder if their life might have been different if they had followed Heather’s advice. But as these friends are continually reminded, life is complex, messy, disappointing, and joyful, often all at once—and no one can plan her way out of that reality. In the end, all five women must embrace the idea that their lives are shaped not just by their choices but also by how they handle the obstacles life inevitably throws at us all.

Novel about a young boy in Ahmedabad, who opens a cricket shop.

All the Right Mistakes The 3 Mistakes of My Life (English)

Sal, the protagonist of *Sun Alley*, is an exceptionally intelligent 12-year-old boy, experiencing his first love. One summer afternoon, on his way to see his girlfriend Emi, he is caught in a rain shower and shelters in the hallway of a block of flats. Led by a strong odor, he goes down into the basement, where he comes upon the corpse of a young and very beautiful woman. Little by little, Sal will attempt to discover the mystery of this body and, at the same time, will pursue his amorous relationship with Emi; a strange liaison which unfolds in parallel with the adulterous affair of an adult couple whose path Sal repeatedly crosses. As his love story with Emi evolves, Sal tries his best to hide it, not only from the cynical eyes of his friends in the neighborhood, but also from his parents--whose intervention might well shatter his bliss--thereby developing a veritably adulterous mindset. The connections between adults and the two children, on the one hand, and the dead body discovered by Sal on the other, are far deeper and more complicated than they may at first seem. *Sun Alley* is a novel about the roots of adultery and the destiny of an exceptional young boy who, thanks to his gifts, has the power to see visions.

A Novel Harlequin

What would you do if destiny twisted the road you took? What if it threw you to a place you did not want to go? Would you fight, would you run or would you accept? Set across two cities in India in the early eighties, Life is What You Make it is a gripping account of a few

significant years of Ankita's life. Ankita Sharma has the world at her feet. She is young, good-looking, smart and tones of friends and boys swooning over her. She also manages to get into a premier management school for her MBA. Six months later, she is a patient in a mental health hospital. Life has cruelly and coldly snatched that which meant the most to her and she must now fight to get it all back. It is a deeply moving and inspiring account of growing up, of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you. A tale, at its core a love-story that makes us question our beliefs about ourselves and our concept of sanity, and forces us to believe that life is truly what one makes it.
