did not know what it was or how to get there. One day, a traveler came to town and told Gentry that he is seeking The Destination. However, the traveler provides a warning. The path to The Destination is guarded by dragons that only seek to take travelers off of the path. Armed with a scroll, a shield and a sword, Gentry sets out on his quest. As Gentry heads towards The Destination, he is expecting to face fierce dragons that he heard so many stories about growing up. He pictured himself doing battle with a large scaly beast. But what he found surprised him. The dragons were not the fire breathing animal he expected but much more deceiving. Gentry had

to face each dragon before he can travel on towards The Destination or be sent back to the town as a failure. Each dragon, however, has a different name and affect on Gentry. He must use the wisdom he finds in the scroll in order to defeat each of the dragons. As we each travel the journey to success, we are often times side tracked by dragons of our own. Through this book and as you travel with Gentry, you will learn the secrets to defeating many of the common dragons that only seek to hold us back from reaching our destination.

Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS
The Dragon's Path
Bantam
"The best novel

concerning the American pop music culture of the sixties I've ever read."—Stephen King From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock 'n' roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the '60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself

drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. "The wilder aspects of the '60s . . . roar back to life in this hallucinatory story by a master of chilling suspense."—Publishers Weekly "What a story, full of nostalgia and endless excitement. . . . It's taut, tense, and moves like lightning."—Tony Hillerman "Daring . . . a knowing, wistful

appraisal of . . . a crucial American generation.”—Chicago Sun-Times “Moving . . . comic . . . eerie . . . really and truly a walk down memory lane.”—The Washington Post

 For the first time, all five novels in the epic fantasy series that inspired HBO’s *Game of Thrones* are together in one eBook bundle. An immersive entertainment experience unlike any other, *A Song of Ice and Fire* has earned George R. R. Martin—dubbed “the American Tolkien” by *Time* magazine—international acclaim and millions of loyal readers. Now this bundle collects the

entire monumental cycle in the most convenient format available: *A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS* “One of the best series in the history of fantasy.”—Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King’s Landing. There Eddard Stark of Winterfell rules in Robert’s name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to

the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen’s brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies

a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times

The knowledge and

wisdom held with the Cholq'ij as a sacred calendar is very deep, so the information I present within these pages is simply a starting point for all those who want to begin their journey within this wisdom. Although the format of this book may be seen as a daily calendar (and can be used as such), my purpose in creating it this way is to accompany you on an inner journey. It is a way which allows you to begin to relate to, and understand the 20 energies making up the Cholq'ij; to begin to understand the Mayan signs themselves - a way which helps you to understand how those 20 energies relate to and influence us, in a very personal way. In the first pages you will find some theoretical

information regarding the Sacred Calendar, the 20 energies which make it up, and an explanation of the importance of knowing your Mayan Sign. In this way you can begin to become familiar with the concepts of each of the different energetic vibrations manifesting within our universe, and the beautiful dance of transformation it brings to us. Within this book is a day by day guide for the whole year of 2019 on the Gregorian Calendar, combined with the messages of the Cholq'ij. On each date you will see a different quote related to the energy of that day, and how to connect, meditate, or act in harmony with the natural, universal vibration manifesting that day. You will have

a space to make small notes about the main emotions, sensations, and events that you face each day. Making notes will help allow you to gain a better idea about your physical and emotional states, the way your relationships are going, messages you are receiving in your dreams, or situations which may seem out of the ordinary. This may expand into meeting someone from your past, the birth or death of a loved one, messages coming from nature, magical manifestations, or when an opportunity suddenly arises. This book is here as an effective guide; one where you can begin to relate to the energies of the Cholo'ij. Little by little, everything will begin to become

clarified, and you will come to understand which days are beneficial to you for certain activities and which days are not. From my heart to yours, I hope that the words contained here will become a constant support for the greatest adventure you may ever take; The journey of knowing yourself, and understanding the constant natural movement of energy in which we all live in, and to begin dancing within its natural rhythms.

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a

democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt

silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who

embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to

protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.
