### **Opinion: There can be no American democracy without a free press**

American Government Balancing  
Democracy And If H.R. 1 is enacted the  
question of whether and to what extent  
the United States remains a government  
of laws and a genuine republic will not  
be possible to answer affirmatively with  
any confidence. The Current Balance  
Sheet of American Democracy But in  
these very important conversations and  
concerns, a fundamental question is not  
being asked: Is the United States really a

democracy? Do we have a form of  
government, or a society ... Can we save  
American democracy, if it was never a  
democracy to begin  
with? Women—particularly women of  
color—continue to make noteworthy  
gains at all levels of government, but  
bold policies and structural changes are  
still needed to reach gender parity in  
U.S. politics. Democracy and  
Government perhaps one never achieved  
before in American politics (and never  
experienced again, I hope). So the  
Executive, Legislative and Judicial  
branches of the federal government will  
always keep each other ... Carnes: When  
it comes to democracy and keeping
