### **Assassin**

Delacorte Press  
Cuba's former counterintelligence chief reviews more than 600 CIA plots to assassinate Fidel Castro - a project code-named Executive Action. Although melodramatic and at times almost

comical, the plans were both drawn up in deadly earnest and entirely unconstitutional, as subsequent US government enquiries concluded, including the 1975 Commission headed by Senator Frank Church. Young Samurai: The Way of Fire (short story) Createspace Independent Publishing Platform Perfect for fans of Alex Rider and Jason Bourne, this action-

packed conclusion to Connor's third mission sees him evading lethal hunters, both human and animal, in the African plains. Following their heart-pounding, narrow escape at the end of book 5, *Ambush*, Connor Reeves and the diplomat's family under his protection are forced to run for their lives through the perilous jungle. With their safari vacation cut short, and a band of heavily armed

rebel soldiers in hot pursuit, Connor must use every skill and trick he's learned during his Guardian training to ensure their survival. But as they fight for their lives, Connor realizes the gunmen are the least of their problems—no amount of bodyguard training can prepare him for the bloodthirsty predators who roam the savanna. Combining pulse-pounding action, diabolical

enemies, and an insider's knowledge of the tricks of the trade, the BODYGUARD series is the perfect target for fans of Alex Rider, James Bond, Jack Bauer, and Jason Bourne. Praise for BODYGUARD "Breathtaking action . . . as real as it gets."—Eoin Colfer, author of the bestselling Artemis Fowl series "Bradford has combined Jack Bauer, James Bond and Alex Rider to bring us the action-packed
