ERIN WATTS

Scouting Rowman & Littlefield
 Gifted Girls. Daring Dames. Marvelous Mysteries. The Secret Spy Society is back with a new case to solve! After officially naming themselves the Petite Private Eyes, Peggy, Rita, and Dot are ready to take on a new assignment from the Lady Spies. The Fashion Twins, two local designers, have been robbed! When the girls go undercover to investigate, they find themselves joining a curious scout troop run by a mysterious scout leader. With the help of the Lady Spies and a feisty pet cheetah, will the girls crack the case and make some new friends?

Scouting American Philosophical Society
 A Followup to the Highly Successful Best of Boys' Life Boys' Life, the magazine for Boy Scouts of America, was launched in 1911 and became one of the most popular youth magazines in America. Every month it features news, stories, jokes, and practical how-to instructions invaluable to all Scouts. Reproduced in facsimile form, The Boys' Life Book of Outdoor Skills brings together a selection of the very best pieces, including work by Theodore Roosevelt and Buffalo Bill ("A Message to Boy Scouts"), and . Contents include facsimiles of the best pages from 1911 to the present.

The Scout's Guide and Field Book Penguin
 This handy pocket guide is the only foraging field guide designed as an educational tool for Boy and Girl Scouts and their 4.7 million members and 1.9 million volunteer leaders, as well for as the general public. The author is an award-winning Scouting educator and widely acclaimed forager.

The Case of the Curious Scouts Bloomsbury Publishing USA
 Veteran journalist and four-wheel drive historian Jim Allen and recognized collector and Scout expert John Glancy built the most in-depth book about Scout trucks on the market. The book includes details about all your favorite Scout models from the very first to the last one to leave the factory and some the public never saw.

inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

Scouting for Girls Random House Graphic
 Arising in the first decades of the twentieth century, the Boy Scout and Girl Guide movements came into existence in Britain in an era of social and political unrest and were initially the center of intense controversy. Through the years, Guiding and Scouting broke down class, race, and gender distinctions and helped youth cope with an emerging mass culture and allowed boys and girls to stretch gender and generational boundaries. Using official documents, logbooks, diaries, and oral histories, Tammy Proctor explores the formation of the Scouts and Guides and their transformation during and after World War I. The interwar period marked a departure for the two organizations as they emerged as large multinational organizations that targeted not only adolescents, but also smaller children and young adults.

The Scout's Guide to Wild Edibles Emons Publishers
 "A guide to the press of the United Kingdom and to the principal publications of Europe, Australia, the Far East, Gulf States, and the U.S.A.

111 Places in Palm Beach That You Must Not Miss
 Definitive guide to staging successful courts of honor from physical arrangements to promotion to the ceremony itself.
Scouting
 2020 Banff Mountain Book Competition Finalist in Adventure Travel In Journeys North, legendary trail angel, thru hiker, and

former PCTA board member Barney Scout Mann spins a compelling tale of six hikers on the Pacific Crest Trail in 2007 as they walk from Mexico to Canada. This ensemble story unfolds as these half-dozen hikers—including Barney and his wife, Sandy—trod north, slowly forming relationships and revealing their deepest secrets and aspirations. They face a once-in-a-generation drought and early severe winter storms that test their will in this bare-knuckled adventure. In fact, only a third of all the hikers who set out on the trail that year would finish. As the group approaches Canada, a storm rages. How will these very different hikers, ranging in age, gender, and background, respond to the hardship and suffering ahead of them? Can they all make the final 60-mile push through freezing temperatures, sleet, and snow, or will some reach their breaking point? Journeys North is a story of grit, compassion, and the relationships people forge when they strive toward a common goal.

Scouting
 "...an engaging and enlightening account from which we all can benefit."—The Wall Street Journal A better way to combat knee-jerk biases and make smarter decisions, from Julia Galef, the acclaimed expert on rational decision-making. When it comes to what we believe, humans see what they want to see. In other words, we have what Julia Galef calls a "soldier" mindset. From tribalism and wishful thinking, to rationalizing in our personal lives and everything in between, we are driven to defend the ideas we most want to believe—and shoot down those we don't. But if we want to get things right more often, argues Galef, we should train ourselves to have a "scout" mindset. Unlike the soldier, a scout's goal isn't to defend one side over the other. It's to go out, survey the territory, and come back with as accurate a map as possible. Regardless of what they hope to be the case, above all, the scout wants to know what's actually true. In *The Scout Mindset*, Galef shows that what makes scouts better at getting things right isn't that they're smarter or more knowledgeable than everyone else. It's a handful of emotional skills, habits, and ways of looking at the world—which anyone can learn. With fascinating examples ranging from how to survive being stranded in the middle of the ocean, to how Jeff Bezos avoids overconfidence, to how superforecasters outperform CIA operatives, to Reddit threads and modern partisan politics, Galef explores why our brains deceive us and what we can do to change the way we think.
