Claire

Keegan's

piercing

contemporary

classic Foster

is a

heartbreaking

story of

childhood,

loss, and love;

now released

as a

standalone

book for the

first time ever

in the US It is
a hot summer
in rural

Ireland. A

child is taken

by her father

to live with

relatives on a

farm, not

knowing when

or if she will

be brought

home again.

In the

Kinsellas'

house, she

finds an

affection and warmth she has not known and slowly, in their care, begins to blossom. But there is something unspoken in this new household—w here everything is so well tended to—and this summer must soon come to an end. Winner of the prestigious Davy Byrnes Award and published in an abridged version in the *New Yorker*, this internationally bestselling contemporary classic is now

available for the first time in the US in a full, standalone edition. A story of astonishing emotional depth, Foster showcases Claire Keegan's great talent and secures her reputation as one of our most important storytellers. Foster Pearson Education When Vic Wilcox (MD of Pringle's engineering works) meets English lecturer Dr Robyn Penrose,

sparks fly as their lifestyles and ideologies collide head on. What, after all, are they supposed to learn from each other? But in time both parties make some surprising discoveries about each other's worlds - and about themselves. *Lean In* Scholastic Inc. *The Challenge Built to Last*, the defining management study of the nineties, showed how great companies triumph over time and how long-term

sustained performance can be engineered into the DNA of an enterprise from the very beginning . But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies

that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years.

How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the

good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great

companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can

afford to ignore these findings? The Better Angels of Our Nature Gallery Books The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a

worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships,

happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to

light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible. **The Right Place** Vintage The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A

feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One

tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora

Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first place. *You Are a Badass*® Dell

A squirrel wakes from hibernation feeling something is wrong with his home, and after consulting his forest friends realizes that their community is what makes a place right. [Factfulness](#) Bloom Books Are You Too Nice? If you find it hard to be assertive, directly ask for what you want, or say "no" to others, then you just might be suffering from too much niceness. In this controversial

book, world-renowned confidence expert, Dr. Aziz Gazipura, takes an incisive look at the concept of nice. Through his typical style, Dr. Aziz uses engaging stories, humor, and disarming vulnerability to cut through the nice conditioning and liberate the most bold, expressive, authentic version of you. You'll discover how to: => Easily say "no" when you want to and need to. => Confidently

and effectively ask for what you want. => Speak up more freely in all your relationships. => Eliminate feelings of guilt, anxiety, and worry about what others will think.

will fall in love
with this
contemporary
coming of age
story set at a
picturesque
Virginia
boarding
school. That's
what Jess was

to me. I was the ground; she was the rain. I wasn't anything until she woke me up. Seventeen-year-old June is completely wrapped up in her best friend Jess. The two are inseparable and June feels so lucky that they found each other. Even if everyone else around her thinks Jess is a bad influence. Even if June is starting to question if she likes Jess as more than just a friend. But after June is expelled from

school at the end of her first semester of junior year, she's forced to move to Virginia, to live with her grandmother and attend an all-girls boarding school. She'll be miles away from her home, from her family, and from Jess. June is miserable at first and counts down the days until she can come back home for the summer. But when she befriends two new girls and meets a boy named Sam, who she is

instantly drawn to, life in Virginia starts to feel more real. Except Jess is always on her mind, and she can't deny her feelings anymore, even as Jess starts to pull away from her. June can't let Jess go—but she needs to figure out how to move forward, and how to find the place she really belongs. Perfect for readers who like: Teen boarding school romance LGBTQ books for teens

Realistic fiction books for teens 14-18 Also by Sarah Van Name: *The Goodbye Summer* *Good Omens* Headline Eternal If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing

about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...
Nice Girls
Don't Get the Corner Office
HarperCollins UK
Is it ever too late to leave the friend zone?
Discover the heartwarming friends to lovers romance that became a sensation on

TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship.

But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual,

Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her

confession, Nathan’s publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she’s been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in

this exciting romantic comedy. *Not Nice* Simon and Schuster The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join

them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to

Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at

least two if you int to live indoors. Nickel and Dimed reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond,

author of
Evicted:
Poverty and
Profit in the
American City,
explains why,
twenty years
on in America,
Nickel and
Dimed is more
relevant than
ever.

*All Good
People Here*
Da Capo Press
Young
children ask
questions
about sex,
sexuality,
conception,
and birth that
can be
embarrassing
or
uncomfortable
for parents.
With her
characteristic
good sense
and cool head,
author

Deborah
Roffman will
put even the
most awkward
parents at
ease, giving
them the skills
to talk
confidently
with young
children about
these
important but
delicate
issues. In this
wonderfully
reassuring
book, readers
will learn that
the key to
talking with
children about
sex is knowing
that their
questions fall
into three
easily
recognizable
categories. At
age three or
four, kids are
curious about

geography
("Where was I
before I was
here?"), and
at four or five,
about delivery
("Exactly how
did I get out of
there?").
Finally, the six
year old's
classic
stumper--"But
how'd I get in
there in the
first place?"--
is about cause
and effect, not
about
imminent
sexual
activity! With
the emotional
and
developmenta
l
underpinnings
of a child's
curiosity
understood,
parents will
find their

tongues; with Deborah Roffman's wise, warm and practical advice, they will be well prepared for the inevitable flow of questions in the years to come. *Amelia Bedelia* Random House The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant.

?Season 2 of Good Omens coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post According to The Nice

and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan.

Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . . Good to Great
 Penguin Books
 Her brother's best friend broke her heart, but what happens when his new

teammate wants to put it back together? Arianna Johnson has been dreaming of what college life might bring, and it's finally coming over the horizon as she and her friends plan one last beachside summer together. So much has changed over the years, but there's always been one constant. The boy her heart returns to no matter where her imagination runs: her

brother's best friend, Chase. This is the summer she'll finally tell him how she feels. That it's him. It's always been him. Until suddenly, it isn't. Ari's heart is in splinters when she meets star quarterback Noah Riley. His friendship is exactly what she needs after Chase's rejection, but from the start, Noah wants more. Even when their path is blurry, even when tragedy strikes, even

when Ari doesn't know her own heart, Noah will fight for the feelings he knows they both have...no matter what it might cost them. They say first love lasts forever. Ari is about to find out if that's really true.

Celebrating the Third Place Penguin
The landmark survey that celebrates all the places where people hang out--and is helping to spawn their revival A New York Times Book Review Editor's

Choice "Third places," or "great good places," are the many public places where people can gather, put aside the concerns of home and work (their first and second places), and hang out simply for the pleasures of good company and lively conversation. They are the heart of a community's social vitality and the grassroots of a democracy. Author Ray Oldenburg portrays, probes, and

promotes these great good places-- coffee houses, cafes, bookstores, hair salons, bars, bistros, and many others both past and present--and offers a vision for their revitalization. Eloquent and visionary, this is a compelling argument for these settings of informal public life as essential for the health both of our communities and ourselves. And its message is being heard: Today,

entrepreneurs from Seattle to Florida are heeding the call of The Great Good Place--opening coffee houses, bookstores, community centers, bars, and other establishments and proudly acknowledging their indebtedness to this book.

Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships,

which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that

we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*. *The Midnight Library* Wednesday Books The New York Times bestselling authors of *I Had a Nice Time* and *Other Lies and Nice Is Just a Place in France* and founders of *Betches.com* are back with a guide on how to thrive professionally, get ahead in the workforce, and basically become the Beyoncé of whatever you aspire to do. We get it. You run shit. You can go from being blackout at drunk brunch to being ready to meet your new boyfriend's parents in two seconds. But how do you go from being the boss of your personal life to taking charge of your career? That's where the *Betches* come in. We are dedicated to making you the most successful, betchiest career woman you can be. After all, we only became *Betches* after we worked like, really hard. And now we're confident enough to help you become the best. You're welcome. You can thank us later. As New York Times bestselling author Jessica Knoll says, "I only ever want the cold, hard truth from a betch." So whether you're trying to become a CEO, navigate an office hookup, or just save enough

money to go to happy hour twice a week, we're here to help. It's time to channel your inner Elle Woods, Miranda Priestly, and Ruth Bader Ginsburg. Per our last email, you better read this.

But How'd I Get In There In The First Place? Simon and Schuster From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York

Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As

Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. *Again, but Better* Da Capo Lifelong Books 'We were somewhere around Barstow on the edge of the desert when the

drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive ..."

Just Like Home Harper Collins
 FOREWORD
 BY GUY KAWASAKI
 Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on

the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and

more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.
