Join the superhero world of Lang Lang and come on a piano

adventure with The Lang Lang Piano Method Level 3. The five progressive levels in The Lang Lang Piano Method provide a unique and imaginative way for complete beginners to learn the piano with the world's most successful concert pianist, Lang Lang. There's plenty to play all around the keyboard right from the start with fun, imaginative pieces that develop the left and right hands equally. Level 3 continues the progression by extending the note range to an octave, exploring different keys and including more hands-together in pieces. Musicianship is developed through theory pages and listening to exclusive performances by Lang Lang of piano classics for children. This eBook version features:

- full audio of the musical examples and concert pieces played by Lang Lang
- highlighted music when the audio is playing makes it easier to play along and follow
- search

tool • zoom function • fun animations on each page "I've written The Lang Lang Piano Method to inspire today's kids with my passion for the piano." Lang Lang

(Sacred Folio). There is music inside all of us, especially children! That's how God created them, and so making music comes naturally to them. Teaching children to make their own music on a keyboard (and to find joy in it) is what Music in Me is all about. Each book in this unique series is designed to help them understand both musical and Biblical concepts at the same time. Early exposure to music theory especially harmony and ear training plus an understanding of how music "works" will provide today's children with a strong foundation for becoming tomorrow's church musicians. Music in Me includes five levels, and each level includes five coordinating student books: Lesson (Reading Music); Theory & Technique (Understanding Music); Creativity (Writing Your Own Music); Praise & Worship (Solos to Play); and Hymns & Holidays (Solos to Play).
