Towards Excellence in Life and Ministry Penguin

Nine Pillars of Success is a worthy read! I believe everyone has a destiny, but not every destiny will be successful. Even at the coming of our Lord Jesus Christ, there will be people who will have unfulfilled destinies. Hence, this book is written to hand over to you the keys you need to fulfill your destiny in a grand style with unparalleled results. What is destiny? Destiny is your fate, fortune, or future as designed by God in His wisdom before you were even born. You are a destiny carrier by virtue of your existence in God. You existed in the mind of God even before you were born physically. I believe that God has deposited in you an incomparable future, which is locked up within you. What you have to understand is that destiny does not start here on earth! It started before you were even born into this world. You are not an accident by birth! Your destiny and life are a well pre-arranged agenda of God. That is why you don't have to create your own destiny, but all you have to do is to discover or locate the details of your destiny in Christ Jesus. Thus, this book is written to rewrite, re-define, and unlock your destiny. Hence, you can't afford but to fulfill your God ordained assignment on earth in

Christ Jesus!!!

It is very significant for believers to know and believe this simple Biblical truth - Nothing works in the Kingdom of God without faith. The life of a believer revolves around faith, for without it, nothing gets accomplished. Faith is the "Principal Key" that unlocks the unlimited supernatural ability of God, enabling Him to change the life of an ordinary individual into a victorious life of testimonies. It is the substance that God uses to turn an individual into an unbeatable believer when it comes to handling the conflict of life. The force of faith is equivalent to the life-sustaining heartbeat of all human beings. Whenever the heart fails, the life of the individual ceases, likewise, whenever believers fail to exercise their faith, their lives become "lifeless and colorless". The Bible says in Hebrews 11:32-34, that through faith (their faith) they subdued kingdoms, wrought righteousness, obtained promises...; therefore, wisdom demands that each individual accepts the responsibility to develop his or her own faith. So, it is my earnest desire that as you engage with this book, you will intentionally commit to a lifestyle of stirring up your faith to act upon God's word. As you do it this, you commit Him to perform it. As He performs it, your faith in Him increases, day by day, stature by stature, victory by victory... till you tangibly begin to subdue kingdoms like the men and women did in Hebrews 11:32-34. This is the very purpose for which Christ died, to build a kingdom of kings and priests enforcing the life and power of God's Kingdom in every sphere of human life and activity.

The Oxford Handbook of the Study of Religion provides a comprehensive overview of the academic study of religion. Written by an international team of leading scholars, its fifty-one chapters are divided thematically into seven sections. The first section addresses five major conceptual aspects of research on religion. Part two surveys eleven main frameworks of analysis, interpretation, and explanation of religion. Reflecting recent turns in the humanities and social sciences, part three considers eight forms of the expression of religion. Part four provides a discussion of the ways societies and religions, or religious organizations, are shaped by different forms of allocation of resources. Other chapters in this section consider law, the media, nature, medicine, politics, science, sports, and tourism. Part five reviews important developments, distinctions, and arguments for each of the selected topics. The study of religion addresses religion as a historical phenomenon and part six looks at seven historical processes. Religion is studied in various ways by many disciplines, and this Handbook shows that the study of religion is an academic discipline in its own right. The disciplinary profile of this volume is reflected in part seven, which considers the history of the discipline and its relevance. Each chapter in the Handbook references at least two different religions to provide fresh and innovative perspectives on key issues in the field. This authoritative collection will advance the state of the discipline and is an invaluable reference for students and scholars.

March 2017 Day 2 DODGE THE PROCESS! MISS THE PRODUCT! BASIC SCRIPTURE: HABAKKUK 2: 1- 4 Patience is profitable. It's a lost virtue in our culture today. There is so much craze for wealth because people are no more patient. Armed robbery, prostitution or corruption, etc, for example, are the consequences of impatience. The year 2017 is still young! Prayers are being prayed. Planning is going on. There is excitement in the spirit world because the word "EVIDENCE" is being announced worldwide over divine megaphones. But you must realize that there is always a time lag between the day you plant pineapple or apple seed and when you actually harvest the fruit from the full-grown tree. Every divine purpose delivers in stages and there is a time for every purpose on this earth including your own. Don't cage or hinder your destiny by seeking for shortcuts. If you dodge the process - patience, you will miss the product. Habakkuk 2:3 declares: "for the vision is yet for an appointed time; but at the end, it shall speak and not lie. Though it tarry (as the year progresses), wait for it; because it will surely come, it will not tarry." God is bigger than our biggest plans. He is working on your behalf. You need patience to obtain this year. Don't compare yourself with others or look around negatively.

God's calendar for you is not the same with your next-door neighbour. Patience mixed with praise and worship will shield you from avoidable mistakes. Meditate also, on Micah 7:7! Your year will end in peace and glory and there shall be EVIDENCE that you serve a living God. The fullness of any vision speaks only at the end. Wait! You will never end up in shame! Amen! PRAYER POINTS: Take Song 2: Standing on the ...1. In your own words, pray about today's word as led.2. Discrete Structure, Logic, and Computability introduces the beginning computer science student to some of the fundamental ideas and techniques used by computer scientists today, focusing on discrete structures, logic, and computability. The emphasis is on the computational aspects, so that the reader can see how the concepts are actually used. Because of logic's fundamental importance to computer science, the topic is examined extensively in three phases that cover informal logic, the technique of inductive proof; and formal logic and its applications to computer science.
