Lead the change that you want to see in  
your school! Is your school or district  
heading in the right direction? In this  
essential guide for leaders, Lee Jenkins

team as never before, while helping your  
students to love learning and crave  
achievement. A trusted advisor to  
numerous districts, Jenkins knows how to

successfully transform school culture – for  
the long-term. Beginning with an  
introduction from scholar Michael Fullan,  
each chapter presents compelling insights  
and strategies for leaders, addressing how  
to Evolve your leadership style to guide,  
empower and serve Apply the principles of  
continuous strategic improvement as an  
antidote to win/lose approaches to school  
accountability Develop a healthy, positive  
culture of achievement by deeply  
engaging your students in their own  
progress and success Turn to this resource  
and prepare to lead positive change, from  
the classroom to the staff room and  
beyond. "This book creates a whole  
picture approach to school improvement  
while shunning the current top down  
model in favor of a school-led plan. The  
approach not only increases school  
performances, but values the school-level

leadership and instructional faculty."  
Amanda Mayeaux, Career Management  
Specialist Iberville Parish Schools "If your  
district is ready to move from arbitrary to  
observable, from fractured to focused, and  
from silos to systems, you've found the  
book that can move entire organizations  
from a goal mindset to a growth mindset.  
Lee Jenkins provides common-sense  
strategies that impact the efficiency and  
effectiveness of our classrooms, with a  
clear focus on student growth. In an  
educational era saturated with the latest  
remedy for what ails us, Lee provides a  
refreshing cure by offering simple  
solutions for lasting change." Dr. Jane
