Sue suffered from recurring nightmares, having dabbled in the occult years earlier. It never occurred to either Sue or Dave that evil spirits might be at work to heighten their problems, or that spiritual warfare might help in combating their besetting sins. Like many Catholics, they were unaware of how to use the weapons in their spiritual arsenal. 'Spiritual Warfare for Catholic' is an invaluable guide to the unseen conflict we all face. Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

A free spiritual warfare bible study for anyone serious about gaining victory in spiritual warfare - the BIBLICAL way. *Spiritual Warfare without the HANDBOOK OF SPIRITUAL WARFARE* explains all the scriptures on spiritual warfare, the armor of God, strongholds and the wiles of the devil; and offers you a spiritual warfare battle plan that can help you to overcome anything you face in your Christian walk. We show you that spiritual warfare is something that every Christian could and should be involved in. There are many misconceptions about spiritual warfare based on popular misguided teachings. These teachings are not always based on the Bible, but on contemporary religious thinking. Are you looking for special prayers for spiritual warfare? Are you trying to "take back what the devil stole" or "download blessings" from the spiritual realm? Does your spiritual warfare battle plan involve "decreeing and declaring" or "commanding your morning"? Do you think to gain victory in spiritual warfare; you need to cast demons out of your life? This is what I call waging a bad warfare, because none of it is scriptural - NONE. True warfare is about using the weapons God gave you (the armor of God) to pull down strongholds in your mind. There is a strong chance that you are living a defeated life because there is some element of Biblical truth that you have not fully grasped deep in your spirit. True warfare is about replacing your wrong thinking with scriptural thinking. This alone can give you the victory you seek.

Christians already have victory over the world through Jesus, but Satan picks a fight with believers nonetheless, tempting them with the influences of the world in an effort to steal God's glory. Indeed, the battle rages on, but the nature of the enemy is baldly exposed in *Spiritual Warfare*, helping readers better understand feelings of resentment, anger, doubt, pride, and adversity for what they really are: fiery darts of deception. Written by International Mission Board president Jerry Rankin, who has witnessed spiritual warfare at work around the world, the book in turn becomes an inspiring guide to the Spirit-filled life, illuminating spiritual disciplines that equip us for victory including prayer, Bible study, fasting, Sabbath observance, active church membership, and praising God in all things.

OVERCOMING THE STRONGMAN - A Handbook On Spiritual Warfare has covered almost every area which had been previously hidden, though in plain sight. It shed light on some areas that have been overlooked by the church to her disadvantage. It lays the foundation which exposes that this conflict is not localized to denominations or geography, but it is a universal human spiritual conflict. Many topics covered in this work highlight events not generally referenced. The author's discipline as a medical doctor informs his exposition of the book's theme, particularly in the chapters on Warfare Realities. The spirit world can be seen, so he calls on the development of spiritual sensitivity. Truth wins, so we should embrace a Biblical worldview to be successful. Since vision affects the outcome of the war we fight, enhancing our perceptive abilities will make us victorious. Unlike many works written on the same theme; the writer considers the physiological and psychological dimensions as also being important in determining one's perspective which is vital in overcoming the Strongman. The natural and psychological perceptions are aspects that are rarely ever addressed in works on spiritual warfare. Our understanding of Satan and the strongholds he sets up will expose the secrets of the war, thus enabling us to overcome the Strongman. Wherever or at whatever level you are in the conflict, OVERCOMING THE STRONGMAN will significantly benefit you since it

touches every aspect of spiritual warfare. I consider Dr. Shiwnandan's book and knowledge on this aspect of spiritual warfare unparalleled. I strongly recommend this book as a resource not only for pastors or church leaders or workers but also for the serious students of the Bible and for the individual Christian who is seeking to live victoriously.
