## DUDLEY PERKINS

*Pandemonium And Parade Japanese Monsters And by ...*  
 Pandemonium And Parade Japanese Monsters"At once playful and profound, scholarly and scintillating, Pandemonium and Parade not only records but also enacts the uncanny presence of yokai in Japanese history. Seen through the lens of yokai, this book richly considers how the passing of time evokes both awe and anxiety."—Anne Allison, author of *Millennial Monsters: Japanese Toys and the Global Imagination*  
 Pandemonium and Parade: Japanese Monsters and the Culture ...  
 Pandemonium and Parade is an interesting blend of intellectual history and folklore scholarship. Foster uses major periods of Japanese history to frame his discussion, demonstrating how authors of different eras approached the yokai - supernatural creatures that, Foster maintains, are uniquely Japanese in character. The study focuses on a limited set of yokai writers spanning three centuries.

 If Michael Dylan Foster's book reads much like a Doctoral dissertation, it is because it is based on his 2003 Doctoral dissertation: "Morphologies of Mystery: Yokai and Discourses of the Supernatural in Japan, 1666-1999". That noted, "Pandemonium and Parade" is in no way a watered-down version of its parent text.

 Gazu Hyakki Yagyō (百鬼夜行, "The Illustrated Night Parade of a Hundred Demons" or The Illustrated Demon Horde's Night Parade) is the first book of Japanese artist Toriyama Sekien's famous Gazu Hyakki Yagyō e-hon tetralogy, published in 1776.  
 A version of the tetralogy translated and annotated in English was published in 2016. ...  
 Gazu Hyakki Yagyō - Wikipedia  
 Hyakki Yagyō, variation: Hyakki Yakō, (百鬼夜行, "Night Parade of One Hundred Demons") is an idiom in Japanese folklore. Sometimes an orderly procession, other times a riot, it refers to an uncontrolled horde of countless numbers of supernatural creatures known as oni and yokai. As a terrifying eruption of the supernatural world into our own, it is similar (though not precisely ...
