Know Your Rights and Claim Them Pocket Books

An epic and transporting novel, the latest installment of the “heart-wrenching, uplifting, and utterly enthralling” (Lucy Foley, author of *The Guest List*) *Seven Sisters* series, unravelling between the dazzling streets of modern-day New York City and the breathtaking plains of 1940s colonial Kenya.

Electra d’Aplièse is a top model who seems to have it all: beauty, fame, and wealth. But beneath the glittery veneer, she’s cracking under all the pressure. When her father dies, she turns to alcohol and drugs to ease the pain. As friends and colleagues fear for her health, Electra receives a shocking letter from a stranger who claims to be her grandmother. In 1939, New Yorker Cecily Huntley-Morgan arrives in Kenya’s Lake Naivasha region for the exciting chance to stay with her godmother, the famous socialite Kiki Preston. But after a sheltered upbringing, she’s astounded by the hedonistic antics of the other ex-pats in the infamous Happy Valley set. Cecily soon grows to love her stunning but complicated new

home, and she even accepts a proposal of marriage from an enigmatic older cattle farmer. After a shocking discovery and with war looming, Cecily feels isolated and alone. Until she meets a young woman in the woods and makes her a promise that will change the course of her life forever. Featuring Lucinda Riley's "engaging and mesmerizing" (Library Journal, starred review) storytelling and filled with unforgettable and moving characters, *The Sun Sister* explores how love can cross seemingly impossible boundaries.

Boy 7 Van Goor

In the year 1990, when the rest of the world was fast asleep, oblivious to the dangers of Islam, and figures like Geert Wilders and Marie le Pen were still ungerminated seeds, a Dutch Muslim immigrant had already written a book, under the pseudonym Mohamed Rasoel, warning Europeans about the dangers that come with the open-door immigration policy. Immediately upon its publication, the book created a firestorm, making it the

most discussed issue in the country (TV, newspapers and magazines), as reprints of the book sold out within days, until the left-wing government panicked and banned the book. The author went into hiding under police protection, but was taken to court by the Anne Frank Foundation, charged with discrimination, and fined 4000 dollars. Many years later, in 2003, a language professor, T.A. van Dijk, who did a thorough research into the book, wrote a 250 pages book, arguing that the book had not been written by Rasoel, but by a highly respected writer Gerrit Komrij, who in return wrote a 40 pages book, denying the accusations and taking van Dijk to court. The

book gained further popularity when, in 2007, the Dutch right-wing party leader Geert Wilders proposed to the parliament that the book be distributed in all secondary schools. Since then, many other authors have also referred to its contents, in books such as *Western Europe and its Islam*, *Defeating Eurabia*, and *Difference Diffidence Threat*. About the contents: with almost every prediction in the book having come true, the author warns that immigrants arrive carrying the same mentality that created the situations they fled from in the first place, only to recreate the same situations in Europe. Furthermore,

the book proposes that the outcome of the volatile situation in Europe can either be a civil war, or the sacrificing of parts of Europe and bestowing them to the Muslims. Although the book refers mainly to the Netherlands, it applies to other European countries as well, of course. It is amazing though how everything being said today about Islam had already been said three decades ago, along with many other amazing arguments that people haven't yet considered. This book was translated from Dutch to English, without the authorization of the author, whose whereabouts and true identity are still a mystery.
