Por primera vez en la historia de la humanidad, el camino de la Iniciación se explica desde el principio hasta el final. En sólo veintiséis años, Samael Aun Weor escribió sesenta libros, dio miles de conferencias y formó el movimiento Gnóstico Internacional, inspirando a millones de personas a entrar en el camino que nos conduce a salir de los

sufrimientos. En las Tres Montañas, cuenta la historia de su vida, revelando el conocimiento práctico secreto del verdadero sendero espiritual de todos los seres humanos más grandes: Jesús, Buda, Moisés, Krishna, Jeanne d'Arc y otros. Ésta es la trayectoria del Bodhisattva: El Camino directo a la realización del ser. El camino directo es la única manera de alcanzar las alturas del desarrollo espiritual. "En todos los libros sagrados de la antigüedad se hace alusión al camino secreto, se le cita, se le nombra en muchos versículos, más la gente no le conoce. Develar, indicar, enseñar la senda esotérica que conduce a la liberación final, es ciertamente el propósito de esta obra que tenéis en vuestras manos, querido lector." - Samael Aun Weor Revela el método

secreto para crear el alma que Jesús insinuó en los Evangelios Explica cómo los trabajos de Hércules representan las iniciaciones espirituales que el alma puede lograr Enseña la Cábala y la Alquimia, que son los dos árboles del Génesis de Moisés

 We present this book that is part of what its author, the Avatar of Aquarius - V.M. Samael Aun Weor - refers to as the kindergarten of his teaching, and yet, the entire psychological work that will allow us to awaken our Consciousness is summarized and explained in it. REVOLUTIONARY PSYCHOLOGY is a book that calls upon the reader to re-read it from time to time, and each time we will feel like we are reading it for the first time, as we capture more and more

details about the inner work to which we are invited in these pages. It is excellent as a reference manual, as a bedside book and as a reference for the plethora of doubts that may come up on a daily basis. It is an absolutely indispensable book for the one who delves into the mysteries of existence and of that which hides beyond it. Dr. Samael Aun Weor, prolific esotericist author and anthropologist, was born amidst the tribulations of a society that was succumbing to materialism and the decadence of all ethical, philosophical and transcendental values. After enormous personal sacrifices, he achieved his personal Self-Realization and dedicated his entire life and his immense work to teaching humanity the path of the true Awakening of

Consciousness, traditionally known as Gnosis. Samael Aun Weor delivers, in his more than sixty works and renouncing all personal benefits, hundreds of practices and all the keys (including the *Secreto Secretorum*) of true esotericism in depth that allows the seeker to discover by himself the answers and experience the results, through a psychological work based on three factors: To be born (alchemically), To Die (to everything illusory) and the Sacrifice for Humanity (to pay our karmic debts). **The Gnostic Bible: The Pistis Sophia Unveiled** Glorian Publishing

Samael Aun Weor, founder of the International Gnostic Movement and author of more than sixty books, lived for many years in close contact with the mysterious natives of the Sierra Nevada of South America. Herein one finds many explanations of the medical knowledge preserved by the Lamas of Tibet and the Mamas of the Sierra Nevada, demonstrating with undeniable force the limitations of modern medicine

and indicating the way to return to ancient medical wisdom. This work features treatments for an incredible variety of illnesses and conditions, such as cancer, asthma, the common cold, and leprosy. Volume 1 of 8 of The Fifth Gospel (collection of lectures of the V.M. Samael Aun Weor and edited by AGEAC). Since the immemorial times of Moses, Jesus of Nazareth, Buddha Siddhartha Gautama, Krishna, Mani and some distinguished spirits, passing on to the true ancient Templars lead by the Grand Master Jacques de Molay, the famous and brave Joan of Arc, etc., etc., etc., the much-desired Path of Hermes capable of re-

connecting the human soul with its Divine Spirit, has never been shown to humanity as done by the Venerable Master and Avatar of the Age of Aquarius -Samael Aun Weor- ... This great work entitled THE FIFTH GOSPEL, with all its enigmatic and profound content, constitutes the greatest effort that a Divine Hierarchy has made so far in order to try to completely remove the Veil of Mystery, the Veil of Isis, so that every person of any sex, color, language, continent or religious creed, may finally have access to the gate of Truth and, at the same time, have the knowledge of the rules and methods necessary to delve into the majesty surrounding the Kingdom of the Eternal. Indeed, dear reader, it has been thanks to the incarnation of the Fifth Angel of the

Apocalypse -V.M. Samael- that today we are living witnesses of the supreme revelation of the most hidden keys that make possible the regeneration of the Rational Humanoid in order to turn him again into that Adam whom, according to the most remote traditions, God created in his image and likeness with the purpose of making him sovereign and king of the very Nature. The Man, dear reader, carries within him the infinite possibilities that allow him, not only to get to know himself, but also the Cosmos or Universe of which he is a part, so that later, if he so wished, he can merge with Agnosthos Theos of the Gnostic tradition. Praise to the blessed Buddha Maitreya! Praise to the Rider of the White Horse from the Book of Revelation! Praise to Samael Aun Weor

and his fifth trumpet, the Fifth Gospel, without which it is impossible to comprehend the previous four!!! May the centuries hear it, may the ages listen, may eternity remember it! Samael Even Weor has risen, has exalted himself, and this Aryan race has now in its hands the last word: either it decides, once and for all, to return to the Kingdom of Light, or it will have to be subjected to the judgment of the nations, ending up entering the buried Abyss of the Infernal Worlds, of which all the Sacred Scriptures speak!!! Dr. Samael Aun Weor, prolific esotericist author and anthropologist, was born amidst the tribulations of a society that was succumbing to materialism and the decadence of all ethical, philosophical and transcendental values. enormous personal sacrifices, he achieved his personal Self-Realization and dedicated his entire life and his immense work to teaching humanity the path of the true Awakening of Consciousness, traditionally known as Gnosis. Los problemas que afligen a la sociedad actual están firmemente arraigados en el enfoque moderno de la educación, que se centra en la memorización y la imitación en lugar de una comprensión genuina y una importancia práctica. Las escuelas, los maestros y los padres enfatizan lo que debemos pensar, en lugar de enseñar cómo pensar, cuestionar, analizar y descubrir la verdad a través de nuestra propia experiencia. El sistema moderno exige que los estudiantes sigan lo que les

dicen, y no cuestionen lo que se les enseña. Desde la perspectiva de la antigua tradición Gnóstica, el crecimiento beneficioso para un individuo o una sociedad es el resultado de la comprensión: conocer la verdad a través de la experiencia, en lugar de por lo que otra persona ha dicho. La historia muestra que aquellos que están dispuestos a cuestionar y analizar son aquellos que llegan al conocimiento más útil e importante para el beneficio de todos. Esto incluye la espiritualidad: los líderes espirituales más grandes se negaron a seguir las "reglas" establecidas, y en su lugar siguieron la guía de la conciencia despierta, mostrando así a la humanidad el camino a la Luz. Durante su vida, Samael Aun Weor enseñó a millones de personas

cómo despertar la conciencia y liberarse del sufrimiento. Este libro irradia su brillante método de enseñanza, un bello reflejo del mismo enfoque utilizado por nuestros sabios, filósofos y pensadores más importantes, que es una forma de lógica superior y amor tremendo que ilustra cuán vital es que las personas aprendan no "qué" pensar, pero CÓMO pensar ". Al despertar la conciencia y desarrollar el corazón y la mente en equilibrio viene el potencial de alterar las dolorosas realidades que la humanidad está sufriendo en su interior. Este pueda que sea el libro más cotizabile del V.M. Samael Aun Weor. Proporciona una base sólida y ética para padres, estudiantes y profesores de cualquier tipo.

Everything in existence functions because of laws of nature. Knowledge of those laws is what allows us to accomplish anything in life. Our spiritual and religious life is no different. Spiritual awakening is also managed by laws in nature. On every level of existence, there are basic facts that manage creation, development, decay, and death. Our consciousness or soul is no exception to these facts, and by knowing about them, we can achieve our complete development as a human being. Samael Aun Weor explains the fundamental laws and energies that we

need to consciously harness in order to reach our full potential. These are the same energies that fuel the creation of any organism, from the smallest atom to the most expansive universe. The human being is called to be a radiant king or queen of nature, but to arrive at that level, one must know how.

"Meditation, historically well known in the East, has now become fashionable in the West and even doctors and psychiatrists advise it for healing and improving the states of their patients. Unfortunately, a snobbish current has appeared, and much verbiage has been poured out on this subject. This leads the devotee along paths that prevent him from doing it correctly, since meditation

is something profoundly transcendental. In the present treatise, all the texts left on this subject by the Avatar of Aquarius –V.M. Samael Aun Weor– are gathered, clarifying all the doubts, explaining the correct technique and guiding anyone who truly wants to enjoy meditation and harvest its fruits on a physical and metaphysical level. As it is well known that no effort of intimate self-realization can give results without meditation." "La obra que tenéis en vuestras manos titulada TRATADO DE MEDICINA OCULTA Y MAGIA PRÁCTICA, ha sido entregada como Mensaje de Navidad 1977-1978. Este libro fue corregido y aumentado por el autor con muchísimas fórmulas de Alta Magia, Teurgia, Botánica oculta, Taumaturgia, Elementoterapia, Medicina esotérica, Nahualismo, etc. En realidad de verdad hemos escrito este libro para los que estén ya cansados con tantas teorías pseudo-ocultistas y pseudo-esoteristas;

para los que en verdad quieran ya de inmediato ingresar a los mundos internos; para los que ya estén deseosos de entrar en el Laboratorio de la Naturaleza. Ciertamente nos duele mucho ver a la gente perdiendo el tiempo miserablemente. Queremos magos prácticos, ocultistas verdaderos y no simples charlatanes. Se necesitan médicos gnósticos auténticos, magos y botánicos reales, gente práctica en cuestiones de medicina y magia."EL

In this practical and straight-forward guide to Astrology, one of the oldest sciences in existence, Samael Aun Weor explains how to transform your daily life towards the acquisition of knowledge of

your true nature, whose result is spiritual elevation, The emergence of natural wisdom, and a deep and pervasive love for humanity. Completely discarding complicated charts and memorization, one has only to rely on the Innermost Being: that divine Star at the heart of our existence. By awakening our consciousness, we experience directly our intimate relationship with our inner cosmos, who is but a reflection of the cosmos around us. That is why the ancient oracle proclaimed, "Man, know thyself, and thou shalt know the universe and it's Gods!" This edition contains three books in its covers: Zodiacal Course, Esoteric Treatise of Hermetic Astrology And The Manual of Practical Magic. In the first two books, Samael Aun Weor gives a complete

discourse on the nature of Astrology. In today's world, The true nature and application of this science has been forgotten completely. In these works, Samael Aun Weor sheds the light of wisdom upon a science that is as ancient as the universe. In the third book, Samael Aun Weor gives the secrets of Theurgy, White Magic, which is the science of influencing nature's phenomena in the internal and external worlds under the guidance of Divine Will and Intelligence. The author writes: "The planets move, evolve and progress within the consciousness. The sidereal temples are within the consciousness. The human being is a zodiac And The zodiacal belt is within the consciousness. "The ten Sephiroth of Kabbalah are the solar system. The seven inferior

Sephiroth are the seven planets, And The crown formed by Kether, Chokmah and Binah, are the triune spiritual sun. "These ten Sephiroth are within us and we must learn to manipulate them. We must learn how to transfer ourselves To The different stars in order to know the horoscopes of people. "El Dr. Samael Aun Weor, prolífico autor esoterista y antropólogo, nació entre las tribulaciones de una sociedad que sucumbía al materialismo y a la decadencia de todo valor ético, filosófico y trascendental. Tras enormes sacrificios personales, alcanzó su Autorrealización personal y dedicó toda su vida y su vasta obra a enseñar a la humanidad el camino del verdadero Despertar de la Conciencia, conocido tradicionalmente como Gnosis. Samael Aun Weor entrega, en sus más de sesenta obras y

renunciando a todo beneficio personal, cientos de prácticas y todas las claves (incluido el Secreto Secretorum) del verdadero esoterismo de fondo que permite al buscador descubrir por sí mismo las respuestas y vivenciar los resultados, en base a un trabajo psicológico basado en tres factores: Nacer (alquímicamente), Morir (en todo lo ilusorio) y el Sacrificio por la Humanidad (para pagar nuestras deudas kármicas). "When religion becomes artificial, art has a duty to rescue it. Art can show that the symbols which religions would have us believe literally true are actually figurative. Art can idealize those symbols, and so reveal the profound truths they contain." - Richard Wagner Parsifal, the epic, final opera by Richard Wagner, stunned audiences and set the stage for the decline of modern civilization. For more than one hundred years, Parsifal has been one of the most controversial dramatic works in the world, not only moving the world's top composers and writers to tears and inspiring generations of creative geniuses, but it was also admired by Adolf Hitler. Wagner's retelling of the myth of the Holy Grail and the knights

who protect it showed the secret path to liberation from suffering, but no one understood it. Wagner himself never explained Parsifal, and in his wake thousands of writers, critics, and artists have attempted to penetrate its mysteries yet have failed, since they were not initiated into the secret tradition it came from. Finally, in this book by Samael Aun Weor, the meaning of Parsifal is fully revealed, and the genius and spiritual accomplishments of Richard Wagner are made radiantly clear. "The year 1914 will always be a memorable date among the remarkable dates of this humanity, because of the explosion of the First World War and the simultaneous debut of Parsifal in all the civilized world." - Samael Aun Weor  
Features: • A complete exposure of the

spiritual archetypes hidden in Parsifal, with examples from other religions and mythologies • Detailed instructions for sexual transmutation, including postures and mantras • Includes the complete libretto of Parsifal

Este libro fue escrito por Samael Aun Weor mientras estaba en prisión. El documento oficial indica el motivo de su detención: "Este hombre, además de cometer el delito de curar a los enfermos, es también el autor de un libro titulado El Matrimonio Perfecto que es un ultraje contra la moral pública y las buenas costumbres de los ciudadanos". Este libro revela las experiencias íntimas de la vida de un Maestro de sabiduría, muchos pliegues y repliegues que permanecían

completamente oscuros y llenos de enigma para los devotos del sendero. Hoy con este libro se rasga completamente el velo sagrado del Sanctum Sanctorum del sagrado templo humano; donde solo brilla la gloria del Intimo, sentado como un monarca divino e inefable en el trono sublime del corazón. "Este libro, que versa sobre la Sabiduría del FUEGO, fue sacado de entre las llamas, y por ello lleva la marca del fuego en el borde de sus páginas. Así convienen las cosas... Es muy interesante, que un libro que trate sobre el FUEGO, lleve la marca del fuego... Yo lo invito a usted, querido Hermano lector a penetrar en la poderosa Sabiduría ígnea. Yo lo Invito a usted querido Hermano lector a penetrar en las esferas ardientes de los Dragones del Fuego."

Se dice que el árbol se juzga por sus frutos y el hombre por sus obras, y en esta biografía del V.M. Samael Aun Weor veremos el más claro ejemplo de ello. El Avatara de Acuario legó a la humanidad su inigualable doctrina, pero más allá de sus obras, en sus logros y en su propio ejemplo encontramos la verdadera y sagrada Gnosis. De la mano del V.M. Kwen Khan Khu, discípulo directo que convivió con el Hombre Absoluto -V.M. Samael-, descubriremos no solo al Maestro sino al padre, al amigo, al ser humano que nos enseñó el camino de la autorrealización con su ejemplo. Un libro tierno y duro -como la vida que describe-, muy clarificador y, en definitiva, imprescindible, que solo este autor -V.M.

Kwen Khan Khu- podría dejarnos para entender la Gnosis y a quien la hizo. Discípulo directo del V.M. Samael Aun Weor. Se alimentó de la fuente del esoterismo real, que busca la Autorrealización Íntima del Real Ser interior que cada persona lleva dentro. Ha dedicado y continúa dedicando toda su vida y esfuerzo a transmitir a otros la sabiduría esotérica de fondo, para que el lector obtenga respuestas claras y, fundamentalmente, prácticas sobre los misterios de la existencia y sobre cómo vivenciar la realidad más allá del frío materialismo y de la vana palabrería pseudoesotérica imperante en estos tiempos. Tras enormes batallas personales alcanzó su Maestría y, como escritor prolífico, deposita en sus obras, no solo la gran sabiduría gnóstica

trascendental para bien de la humanidad, sino su propia experiencia para facilitar al buscador la manera de aplicar en los hechos dicho conocimiento.  For thousands of years, people believed the Earth was flat. Similarly, everything we believe about hell, the devil and karma is based on centuries of dogma, illogical beliefs and foolish theories. In

this book, Samael Aun Weor demonstrates how to confirm for yourself the reality of the inferior levels of life, and how to avoid them. Although modern culture laughs at the mere mention of the devil and hell while simultaneously indulging deeply in them via popular music, movies, and television, the practical reality remains completely unknown to the general public. Samael Aun Weor discusses his personal, conscious experiences of the inferior worlds and the beings who reside there. By application of ancient techniques preserved by the Gnostic tradition, anyone can confirm with certainty what exists in the subtle dimensions of nature, whether above or below. Learn the true identity of both the Devil and Lucifer, and how to harness

the forces of nature in order to be propelled towards a higher way of life. Dispels centuries of beliefs and theories, while explaining the essential truths hidden in ancient symbols Provides practical steps towards acquiring your own experience of the truth Supported by solid science and authentic spiritual traditions
