Easy Pop Melodies for Alto Sax Alfred Music

Praise for the first edition: "Ben Fong-Torres ran and wrote the music section of Rolling Stone and at the same time kept his other foot in the dark, secret world of San Francisco's Chinatown. It's an amazing story."—Jann Wenner "A poignant examination of

Ben's life. I couldn't put it down. In fact, I'm still holding it."—Steve Martin "I am a fifty-three-year-old Caucasian woman, and I feel as if a forty-seven-year-old Chinese man has just told my story—and that of a generation of Americans. Thank you, Ben."—Grace Slick of The Jefferson Airplane "Ben Fong-Torres's voice rocked over the radio waves and a whole generation listened to one of the pioneer voices to break out of Chinatown. Now Fong-Torres fills his memoir, *The Rice Room*, with worlds of feeling, both tender and tragic, to reveal the fire behind that voice."—Fae Myenne Ng, author of *Bone* "Ben Fong-Torres's book is one man's journey into the heart of contemporary America. From childhood to manhood we see his struggles and triumphs as he negotiates growing up in the 60s with Elvis, hippie rock and roll, personal tragedy, and a Chinese-American soul. A witty, moving, heartfelt read."—Philip Kan Gotanda, writer and director of *The Kiss* and author of *Yankee Dawg You Die*

101 Hits for Ukulele: the Red Book Hal Leonard Corporation (Jazz Transcriptions). 54 Getz songs transcribed for all Eb instruments exactly from his recorded solos. Saxual Feelings FriesenPress

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Love Me Tender Sheet Music "O'Reilly Media, Inc."

Through curated essays, readers will experience a deeply personal and engaging survey of key figures in jazz in the book that Publishers Weekly calls "a cheerful celebration of an uniquely American musical form." Whether in the compositions of foundational figures like Jelly Roll Morton, Thomas "Fats" Waller, and Earl "Fatha" Hines; swing pioneers such as Teddy Wilson and Joe Bushkin; torch-bearers like Mary Lou Williams and her student Thelonious Monk; technical masters including Bud Powell and Bill Evans; or modern mixologists such as Sun Ra and Keith Jarrett, the piano has been the site of historic innovations in jazz, and the stage on which some of its most colorful personalities have cemented their legacies. It's no coincidence that several legendary pianists—Duke Ellington, Count Basie, Nat King Cole—are named after royalty. As one of the leading writers on jazz today, author, journalist, and historian Will Friedwald has witnessed over a half-century of epochal developments in the genre and the central role that the piano has played in its evolution. *Nights at the Red Steinway* collects key writings (from the *Wall Street Journal* and elsewhere) to form a deeply personal and engaging survey of key figures from Abrams to Zawinul. Irreverent when it wants to be but serious when it counts, Friedwald's writing offers a wide-ranging, deeply considered tour through the history of jazz piano. It is an indispensable collection for fans of all stripes.

Saxophone Manual Andrews McMeel Publishing

Love tale about a jazz musician searching for his soulmate.

Elvis Presley Univ of California Press

(Jazz Instruction). A one-of-a-kind book encompassing a wide scope of jazz topics, for beginners and pros of any instrument. A three-pronged approach was envisioned with the creation of this comprehensive resource: as an encyclopedia for ready reference, as a thorough methodology for the student, and as a workbook for the classroom, complete with ample exercises and conceptual discussion. Includes the basics of intervals, jazz harmony, scales and modes, ii-V-I cadences. For harmony, it covers: harmonic analysis, piano voicings and voice leading; modulations and modal interchange, and reharmonization. For performance, it

takes players through: jazz piano comping, jazz tune forms, arranging techniques, improvisation, traditional jazz fundamentals, practice techniques, and much more!

The Art of Saxophone Playing Hal Leonard Corporation

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

The Sum of Us Milwaukee, WI : H. Leonard Corporation

2020 Florida Book Awards, Young Children's Literature category, Silver Award 2021 International Latino Book Awards Bronze medal in The Mariposa Book Awards Best First Book, Children & Youth category STARRED REVIEW! "This gentle family story lets readers know that shyness is nothing to worry about."—Kirkus Reviews starred review Ava's excited to say goodbye to el Año Viejo—but will her shyness keep her from joining in the celebration? Ava Gabriela is visiting her extended family in Colombia for the holidays. She's excited to take part in family traditions such as making bunuelos, but being around all her loud relatives in an unfamiliar place makes Ava shy and quiet. How will Ava find her voice before she misses out on all the New Year's fun?

The Instrumentalist Routledge

From the author of Hot Dog Girl comes a fresh and funny queer YA contemporary novel about two teens who fall in love in an indie comic book shop. Jubilee has it all together. She's an elite cellist, and when she's not working in her stepmom's indie comic shop, she's prepping for the biggest audition of her life. Ridley is barely holding it together. His parents own the biggest comic-store chain in the country, and Ridley can't stop disappointing them--that is, when they're even paying attention. They meet one fateful night at a comic convention prom, and the two can't help falling for each other. Too bad their parents are at each other's throats every chance they get, making a relationship between them nearly impossible . . . unless they manage to keep it a secret. Then again, the feud between their families may be the least of their problems. As Ridley's anxiety spirals, Jubilee tries to help but finds her focus torn between her fast-approaching audition and their intensifying relationship. What if love can't conquer all? What if each of them needs more than the other can give? "A deep dive into first love while learning to manage significant mental health challenges . . . Dugan's strength is in creating a diverse cast of characters. Ridley is bisexual, Jubilee struggles with how to identify and label her sexuality, and most of the supporting characters are queer-identified." --School Library Journal
