This series is aimed at developing a

child's skills in reading, assimilation, vocabulary building and comprehension. CliffsAP Spanish Language CreateSpace
Designed as an all-in-one guide, this practical, concise, and easy-to-use text is meant for courses offering instruction to students who are training to become language teachers in North America and

abroad. Using practical examples, integrated tasks, sample activities and lessons, and review questions, the text introduces readers to key topics including course design, lesson planning, and classroom management. It also identifies how to teach speaking, listening, reading, writing, vocabulary, grammar, and pronunciation, with special attention to language acquisition and intercultural communication. This book was previously self-published as *Teaching English: A Practical Guide*, which won the 2017 TESL Canada Innovation Award for Teaching Training Resource Materials. This edition has been well updated and includes a new section on using technology in the classroom, expanded coverage of assessment, and new questions and

suggested further readings in each chapter.

This book investigates the issue of cloze-
validity as a measure of second
language reading comprehension. It
starts off by making a distinction
between general reading ability and the
more specific reading comprehension
followed by a thorough review of the
related research on L2 reading
comprehension and sorting out the
confusion in the literature in this
categorization. A comprehensive
account of cloze procedure is presented
discussing its origin, different versions,
its use for teaching and testing
purposes, as well the latest research on
cloze as measures of readability,
language proficiency and second

language reading. The book includes
studies conducted at several stages on
validating cloze as a measure of reading
and interview and questionnaire
techniques are applied to investigate the
validity of eight cloze tests, criterion
reading tests, and other cloze and
reading tests in general. Two new cloze
tests, i.e. reader-centered cloze test and
phrase cloze test, are also introduced
and researched as measures of reading
ability. The book concludes with
suggestions for developing tests that can
better measure reading comprehension
in light of recent research insights on the
complex and dynamic nature of reading.
This book will appeal to researchers,
lecturers and graduate and post-
graduate students taking a course in
Second Language Acquisition, Applied

Linguistics, TESOL, Language Assessment, and Educational Measurement.
