The Wisdom of Owl

Animal Speak
The Spiritual
& Magical Powers of
Creatures Great and Small

- Explores 45 different power animals alphabetically and shares their strengths, wisdom, special energies, and how to connect with them
- Provides a meditative journey to help you discover which animal is your personal soul companion
- Offers practices--such as observing your dreams, carving or drawing your animal guide, or opening the book to a random page--to intuitively find the right power animal for a given situation or for support and protection in a difficult period

Since the beginning of time, animals have played an important role in each of our lives. Early humans were almost entirely dependent on the animal kingdom for survival. Shamans both ancient and modern merged in trance with their animal

allies for spiritual guidance. Native Americans learned their personal totem animal in childhood and viewed them as life-long companions. And today we can still call on our power animals for strength, serenity, inspiration, and support. In this full-color pocket guide featuring beautiful animal photos, the authors introduce 45 important spirit animals alphabetically and explore their wisdom, special energies, and how to connect with them. They provide a meditative journey to help you discover which animal is your personal soul companion and offer practices--such as observing your dreams, carving or drawing your animal guide, or opening the book to a random page--to intuitively find the right power animal for a given situation or for support and protection in a difficult period. Is your spirit animal an eagle, deer, or wolf, or will you be surprised to find connections to a hummingbird, dolphin, or fire salamander? With this reference, you can call on

the healing power of the bear to strengthen your body and keep calm, the far-reaching and precise vision of the hawk to see imbalances in your life, or the intelligence of the owl to make wise decisions.

This book offers an accessible starting point for your journey of discovery through the diverse kingdom of spirit animals.

Learn how to discover your animal guide, or "power animal"™, and invite it into your life to help heal past issues and inspire you forward into the future. Using the traditional rituals of the shaman, such as drumming, visualization, and dreaming, discover more than 50 power animals and the special gifts they offer. Chris L'Attichau, who has followed the shamanic path for more than twenty years, presents a unique insight into Animal Spirit Guides, or Power Animals, through first-hand encounters in the wild, in America, Mexico, and Europe. As a healer and educator, he communicates his

encounters in a way that is immediate and soulful. Part One, The Path, introduces ways to discover your power animal. In *Working with Your Animal Guide*, you understand animals as teachers and healers, and learn how to communicate and stay connected with their energy when you need to. Part Two, *Animal Spirit Guides*, profiles a range of animals, all of which are fully illustrated, along with personal anecdotes and insights. The final chapter, *Animal Guides and Your Life's Purpose*, looks at the Circle of Allies and how these animal spirits can accompany you through life. Beautifully illustrated by Melissa Launay, this insightful guide will introduce you to natural, shamanic ways of living, and inspire you to work with the amazing energies of your personal *Animal Spirit Guide*.

Walk with the Animals and Talk with the Animals... ONE OF THE FINEST SPIRITUAL SCIENTISTS exploring our world today

takes us on a dramatic, inspiring, revelatory journey into the inner world of animals. Dr. Cara Gubbins searched for years for a modern-day King Solomon's Ring - a tool to help her talk to animals in their own language. An unexpected intuitive conversation with a Chihuahua revealed that she already had the "ring" inside her. As she seeks answers to compelling questions about the spiritual framework of our world and the bonds between humans and animals, Dr. Gubbins captures the personalities and experiences of animals so vividly that she transports the reader deep inside the animal kingdom. You will swim with gray whales along the California coastline, stalk prey in the backyard wilderness with a house cat, and fly with bats at dusk. The beauty and magic of each animal is revealed through scientific, mythical and intuitive lenses - combining to create a rich tapestry that celebrates the majesty and diversity of life, and the unique place each soul has within it. If you've ever dreamed of walking with animals, talking to animals, or even being an animal, this book is for you!

The Definitive Guide to Owl's Role as a Totem and Spiritual Messenger With their haunting voices and expressive faces, owls have increasingly

captured our hearts, while their uncanny ability to navigate in the darkness calls to those of us seeking to move through the darkness of our personal doubts and fears. Who are we really? What do we genuinely need? How can we be truly happy? Owl teaches us to see both ourselves and those with whom we share our lives with pristine clarity, and guides us to make the kind of decisions that support the truth of Who We Are. *Animal Totems and Spirit Guides: The Wisdom of Owl* provides the most comprehensive examination available of the personality traits and life-path challenges unique to the Owl Person, as well as a complete list of Owl's messages when it is acting as temporary spirit guide. You will also discover how to interpret Owl's presence in your dreams, how Owl's wisdom can help you release the emotional blockages linked to certain physical ailments (including neck- and shoulder-tension and digestive imbalances), and the specific totem characteristics and messages associated with eight of the most common owls, including Barn Owl, Great Snowy Owl, and

Great Grey Owl. A thorough discussion of the world of animal totems and spirit guides as a whole is also featured, including guidance on identifying your personal totems and simple, easy-to-understand methods to make their wisdom part of your daily life.

Spirit Animals Llewellyn Worldwide Limited Three decades ago, Penelope Smith first presented *Animal Talk* and her effective telepathic communication techniques that can dramatically transform your relationships with your animal companions. Rereleased by popular demand, Smith once again shares her insightful wisdom and illuminates topics such as freedom, control, obedience, behavior, and relationships between animals. *Animal Talk* teaches you how to open the door to your animal friends' hearts and minds without resorting to magic tricks or wishful thinking. Every creature can be reached through telepathic communication -- from your tabby cat or cockatiel to the wasps that build nests in the eaves of your home or even the common flea -- you just have to be open to the idea, and mind-to-

mind communication will be in your grasp.

Following the publication of the popular and best-selling *Animal Spirit Guides*, several people commented that they would like to see a smaller pocket-sized version—one they could carry in their purse, handbag, or car. Those requests have now resulted in this condensed edition, where you'll find all the spirit animals from the original edition plus some new ones in a format that makes it even more user-friendly. Just as our ancestors and indigenous peoples knew, when an animal comes to you in an unusual way or repeatedly, whether in physical or symbolic form, they are serving as spirit guides attempting to get a message to you. This convenient pocket guide will help you understand and discern these messages whenever this occurs by offering several possible interpretations for the animal you encounter. This is a book that you will enjoy and find useful for many years to come.

The Spiritual Lives and Lessons of Animals

Sounds True

How do animals feel about crossing over? What do they communicate to us after they die? How can we contact animals in spirit? Losing an animal companion can be a painful experience, yet by examining their transition from a spiritual perspective, *Animals in Spirit* explores the process of dying from the viewpoints of animals and their people. Learn how animals choose their paths in each life, and the knowledge they leave behind for their humans. As animals make their way from the physical into the spiritual realm, *Animals in Spirit* can strengthen the union with our beloved friends by teaching us to accept and understand the full experience of life. With true stories, insights from animals and their human friends, as well as meditations to help communicate with animals in the spirit realm, *Animals in Spirit* will help heal the feelings of loss and separation by connecting you to your faithful companion in spirit.

The Spiritual & Magical Powers of Creatures Great & Small

Simon and Schuster

Have you ever seen a

hummingbird attempt to impress a mate? Have you ever seen a porcupine defend itself from a predator? Have you ever watched the calculating expression on a cougar's face as he weighs up the pros and cons of his approach? And, have you ever watched an otter play in the currents of a fast-moving river? Ever wondered what it is that makes these animals and others act the way they do? In this book you will take a closer look at numerous animals and the special potentials they were created with. These potentials give them drive, keep them alive, and make them the creatures they are. They determine whether or not the creature is predator or prey, and they determine the steps that the creature will take in order to survive and procreate. The Native Americans believe that the Great Spirit, the creator of all living things, embedded specific potentials and characteristics into each creature as he made them. These characteristics help the creature through life, according to its physical form. At the same time, the Great Spirit was able to express every aspect of

creation by creating various creatures with these various potentials. Knowing creation would ultimately be dependent upon itself, and that it would be difficult to endow each and every creature with every answer, Great Spirit created a world where every creature could teach and learn from others around it. Hence, this book takes a closer look at some of the animals of the world, and the potentials they were endowed with. The purpose of this being so that you can turn to a specific creature for guidance when necessary, or understand why a specific creature visits you so often. As a start, it takes a look at the way the Native Americans think, and why their system of belief is as wonderful as it is. It offers you a chance to get to know the animal associated to your time of birth. It also takes a closer look at specific ailments and illnesses associated to specific times of birth, and offers ways to heal these ailments with plants and herbal medicines. 'Animal Totems And Spirit Animals' is a book that will inspire you and bring you closer to nature. It will help you to

understand the shamanic approach to life, and will open your eyes to the obstacles that stand in the way of this harmonious approach.

Animal Totems and Spirit Guides Simon and Schuster

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead.

Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson

paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

Hay House, Inc
Beastie [bee-stee]: The overarching spirit of any species of insect, reptile, bird, mammal, or mythical creature that exists or has ever existed; also known as an animal totem or

spirit animal. "From an ancient perspective, everything—including all natural things, like rocks, flowers, trees, insects, birds, and mammals—is alive and infused with conscious energy or spirit," writes Sarah Seidelmann. If you're one of the many people looking to reconnect with the creativity, wisdom, and vital energy of the natural world, here is a fantastic guide for tapping into the power of animal totems, or "beasties." *The Book of Beasties* invites you to explore why certain animals show up in your life—and what teachings they may be trying to share. Packed with information, illustrations, and traditional and modern insights into the unique qualities of different beasties, *The Book of Beasties* teaches you about:

- Guest Beasties: how certain beasties enter your life to give you messages or assistance you need just when you need them
- Core Beasties: meet the guiding beasties who are your lifelong companions, friends, and helpers
- Beastie Relationships: tips and techniques for deepening your relationship with beasties and becoming more

receptive to their support

- **Beasties A-Z:** an expansive compendium of individual beasties and their unique

qualities—including bats, wolves, elephants, salmon . . . even unicorns and dragons! “A message brought by a beastie may be about beauty or family or work,” teaches Sarah. “It might offer you guidance on a prickly problem. Or it might make you smile just when you need it.” Whether you’re a long-time shamanic practitioner or simply curious about what secret messages your favorite animal might have for you, *The Book of Beasties* is an ideal resource for discovering the wild and wonderful world of spirit

animals.

After the publication of his best-selling book *Power*

Animals, many people inquired about the meaning of spirit animals that were not contained in that work. In *Animal Spirit Guides*, Dr. Farmer provides concise, relevant details about the significance of more than 200 animals that may come to you in physical or symbolic form as guides and teachers. With each animal listed, you’ll find general meanings of the visitation; practical ways that they can help you as spirit guides; and how, as your power animal, they reflect characteristics that you possess. You’ll also find a “whom-to-call-on” section that will tell you which animal spirit guide to call on for any specific purpose.
