## HERMAN HOWARD

*Fidel Castro* Harvard University Press

Never before has any biographer had such close access to Fidel Castro as did Tad Szulc. The outcome of a long, direct relationship, this riveting portrait reveals astonishing and exclusive information about Cuba, the revolution, and the notorious, larger-than-life leader who has ruled his country with an iron fist for more than forty years. Only Tad Szulc could bring Fidel to such vivid life--the loves and losses of the man, the devious tactics of the conspirator, the triumphs and defeats of the revolutionary leader who challenged an American president and brought the world to the brink of nuclear disaster. From Jesuit schools to jungle hideouts and the Palace of the Revolution, here is Fidel...The Untold Story. Never before has any biographer had such close access to Fidel Castro as did Tad Szulc. The outcome of a long, direct relationship, this riveting portrait reveals astonishing and exclusive information about Cuba, the revolution, and the notorious, larger-than-life leader who has ruled his country with an iron fist for more than forty years. Only Tad Szulc could bring Fidel to such vivid life--the loves and losses of the man, the devious tactics of the conspirator, the triumphs and defeats of the revolutionary leader who challenged an American president and brought the world to the brink of nuclear disaster. From Jesuit schools to jungle hideouts and the Palace of the Revolution, here is FIDEL...THE UNTOLD STORY.

**Fidel** W. W. Norton & Company

Traces the life of the Cuban Prime Minister, describes his childhood and education, recounts his overthrow of the Batista government, and looks at the challenges he has faced, including the Bay of Pigs invasion and the Cuban Missile Crisis  
*Fidel: My Life* A Spoken Autobiography  
 "Mommy, mommy, call him. Tell him to come here right away. I have so many things to tell him!" I had a ton of things to tell him. I wanted him to find a solution to all the shortages of clothes; of meat, so it would again be distributed through the ration books. I also wanted to ask him to give our Christmas back. And to come live with us. I wanted to let him know how much we really needed him... Fidel didn't answer my letter. I kept writing him letters from a sweet and well-behaved child, a brave but sad girl. Letters resembling those of a secret, spurned lover... As a girl growing up in Cuba, Alina Fernandez found nothing abnormal in the fact that Fidel Castro would occasionally visit her house bearing gifts just for her. At the age of ten, her mother finally told her the truth: she was Castro's Daughter.

**Companero** W. W. Norton & Company

Director of Le Monde Diplomatique, the author presents an

original, discriminating and lucid political matrix for understanding what he calls the OC current disorder of the worldOCO in terms of Internationalization, Cyberculture and Political Chaos."

*Returning to Jewish Cuba* Seven Stories Press

Chronicles the life and accomplishments of the internationally famous Argentinian guerrilla fighter.

*A Biography* Simon and Schuster

The intimate and highly revealing life story of the world's longest-serving, most charismatic, and controversial head of state in modern times. Fidel Castro was a dictatorial pariah to some and a hero and inspiration for many of the world's poor, defiantly charting an independent and revolutionary path for Cuba over nearly half a century. Numerous attempts were made to get Castro to tell his own story. But only in the twilight of his years was he prepared to set out the details of his remarkable biography for the world to read before his death in 2016. This book is nothing less than his living testament. In these pages, Castro narrates a compelling chronicle that spans the harshness of his elementary school teachers; the early failures of the revolution; his intense comradeship with Che Guevara and their astonishing, against-all-odds victory over the dictator Batista; the Cuban perspective on the Bay of Pigs and the ensuing missile crisis; the active role of Cuba in African independence movements (especially its large military involvement in fighting apartheid South Africa in Angola); his relations with prominent public figures such as Boris Yeltsin, Pope John Paul II, and Saddam Hussein; and his dealings with no less than ten successive American presidents, from Eisenhower to George W. Bush. Castro talks proudly of increasing life expectancy in Cuba; of the half million students in Cuban universities; and of the training of seventy thousand Cuban doctors nearly half of whom work abroad, assisting the poor in Africa, Asia, and Latin America. He confronts a number of thorny issues, including democracy and human rights, discrimination toward homosexuals, and the presence of the death penalty on Cuban statute books. Along the way he shares intimacies about more personal matters: the benevolent strictness of his father, his successful attempt to give up cigars, his love of Ernest Hemingway's novels, and his calculation that by not shaving he saves up to ten working days each year. Drawing on more than one hundred hours of interviews with Ignacio Ramonet, a knowledgeable and trusted interlocutor, this spoken autobiography will stand as the definitive record of an extraordinary life lived in turbulent times.

**Inside the Cuban Revolution** Ocean Press

Early in Ann Louise Bardach's Cuban voyage she came across Cartas de Presidio or The Prison Letters of Fidel Castro. Edited by Luis Conte Aguero, who was the recipient of most of these letters, they are cited in every important work from Hugh Thomas' opus

Cuba to Tad Szulc's Fidel biography, and everything in between and since. These twenty-one letters (nine to Conte Aguero, six to his late sister and close collaborator, Lidia, one to his wife Mirta, one to his comrade in combat, Melba Hernandez letters, one to the great scholar Jorge Manach) are regarded as the single most valuable and revelatory document regarding Fidel Castro and the Cuban Revolution. Never before published in English, these letters were written when Castro was imprisoned for his failed attack on the Moncada from 1953 to 1955 and reveal a man of spectacular ambition and steely determination. A man, who despite being incarcerated to serve a lengthy prison term, never wavers in his confidence that he will one day rule Cuba.

*Celia Sánchez and the Cuban Revolution* Ocean Press (AU)

When Fidel Castro died on November 25, 2016, many people around the world responded with mixed emotions. Learn all about the man who shaped Cuba for more than half a decade. After overthrowing Fulgencia Batista in 1959, Fidel Castro became the leader of an island country only ninety miles away from Florida. While in power, Castro outlasted ten US presidents and turned the small nation into a one-party state with influence over the entire world. Called a leader by some and a dictator by others, Castro defined not one but several eras in world politics.

**Marita: The Spy Who Loved Castro** Herald Books

A Los Angeles Times Book Prize Finalist in History "Full of...lively insights and lucid prose" (The Wall Street Journal) an epic, sweeping history of Cuba and its complex ties to the United States—from before the arrival of Columbus to the present day—written by one of the world's leading historians of Cuba. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued—through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country's future. Meanwhile, politics in Washington—Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden—have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an "important" (The Guardian) and moving chronicle that demands a new reckoning with both the island's past and its relationship with the United States. Spanning more than five centuries, Cuba: An American History provides us with a front-row seat as we witness the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the sometimes surprising, often troubled intimacy between the two countries, documenting not only the influence of the United States on Cuba

but also the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba; "readers will close [this] fascinating book with a sense of hope" (The Economist). Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States—as well as the author's own extensive travel to the island over the same period—this is a stunning and monumental account like no other.

*A Biography* Simon and Schuster

Instant New York Times bestseller! In 1960s Florida, a young Cuban exile will risk her life—and heart—to take back her country in this exhilarating historical novel from the author of *The Last Train to Key West* and *Next Year in Havana*, a Reese Witherspoon Book Club pick. Beautiful. Daring. Deadly. The Cuban Revolution took everything from sugar heiress Beatriz Perez—her family, her people, her country. Recruited by the CIA to infiltrate Fidel Castro's inner circle and pulled into the dangerous world of espionage, Beatriz is consumed by her quest for revenge and her desire to reclaim the life she lost. As the Cold War swells like a hurricane over the shores of the Florida Strait, Beatriz is caught between the clash of Cuban American politics and the perils of a forbidden affair with a powerful man driven by ambitions of his own. When the ever-changing tides of history threaten everything she has fought for, she must make a choice between her past and future—but the wrong move could cost Beatriz everything—not just the island she loves, but also the man who has stolen her heart...

*My Early Years* Simon and Schuster

Change looms in Havana, Cuba's capital, a city electric with uncertainty yet cloaked in cliché, 90 miles from U.S. shores and off-limits to most Americans. Journalist Julia Cooke, who lived there at intervals over a period of five years, discovered a dynamic scene: baby-faced anarchists with Mohawks gelled with laundry soap, whiskey-drinking children of the elite, Santería trainees, pregnant prostitutes, university graduates planning to leave for the first country that will give them a visa. This last generation of Cubans raised under Fidel Castro animate life in a waning era of political stagnation as the rest of the world beckons: waiting out storms at rummy hurricane parties and attending raucous drag cabarets, planning ascendant music careers and black-market business ventures, trying to reconcile the undefined future with the urgent today. Eye-opening and politically prescient, *The Other Side of Paradise* offers a deep new understanding of a place that has so confounded and intrigued us.

*A Spoken Autobiography* Penguin Books

He is the only world leader to have outlasted nine US presidents, has survived over 600 assassination attempts and remains one of

the twentieth century's most controversial figures. Here Castro tells his story in full for the first time, speaking openly about everything from his parents and earliest influences to his imprisonment, guerrilla war and the Cuban revolution and on to the Bay of Pigs, the missile crisis and his relationship with Che Guevara. He also remembers the people he knew, from John F. Kennedy to Ernest Hemingway. Whatever your views on Castro are, this is an essential record of an incredible life and even more extraordinary times."

*The Double Life of Fidel Castro* St. Martin's Press

*My Life* A Spoken Autobiography Simon and Schuster

*My Life* A Spoken Autobiography Simon and Schuster

*Cartas Del Presidio* Simon and Schuster

Swieg shatters the mythology surrounding the Cuban Revolution in a compelling revisionist history that reconsiders the revolutionary roles of Castro and Guevara and restores to a central position the leadership of the Llano. Granted unprecedented access to the classified records of Castro's 26th of July Movement's underground operatives--the only scholar inside or outside of Cuba allowed access to the complete collection in the Cuban Council of State's Office of Historic Affairs--she details the debates between Castro's mountain-based guerrilla movement and the urban revolutionaries in Havana, Santiago, and other cities.

*The Black Book of Communism* Seal Press

The dramatic, glamorous story of lover-turned-spy Marita Lorenz and her affair with Fidel Castro, soon to be the subject of a major film starring Jennifer Lawrence. Few people can say they've seen some of the most significant moments of the twentieth century unravel before their eyes. Marita Lorenz is one of them. Born in Germany at the outbreak of WWII, Marita was incarcerated in a Nazi concentration camp as a child. In 1959, she travelled to Cuba where she met and fell in love with Fidel Castro. Yet upon fleeing to America, she was recruited by the CIA to assassinate the Fidel. Torn by love and loyalty, she couldn't bring herself to slip him the lethal pills. Her life would take many more twists and turns—including having a child with ex-dictator of Venezuela, Marcos Pérez Jiménez; testifying about the John F. Kennedy assassination; and becoming a party girl with close ties to the New York mafia (and then a police informant). Caught up in Cold War intrigue, espionage, and conspiracy—this is Marita's incredible autobiography of a young woman who became a spy for the CIA.

*A Biography* Createspace Independent Publishing Platform

Recognized as "Europe's Noam Chomsky," Ignacio Ramonet looks at how the world has changed since 9/11.

*My Life* Penguin

Based on hundreds of interviews conducted over many years in 28 countries, including extensive personal interviews with Castro himself, Georgie Anne Geyer reveals the untold story of Fidel Castro in this definitive biography.

**When We Left Cuba** John Wiley & Sons

This is the first autobiographical selection to be published in English that gives a glimpse of Fidel - the boy and the young man - who was to become one of the outstanding, if controversial, political leaders of the century. The book brings together a range of interviews and talks in which Fidel Castro speaks candidly about his family background, his religious education and political influences.

*A Spoken Autobiography* Algora Publishing

"[DePalma] renders a Cuba few tourists will ever see . . . You won't forget these people soon, and you are bound to emerge from DePalma's bighearted account with a deeper understanding of a storied island . . . A remarkably revealing glimpse into the world of a muzzled yet irrepressibly ebullient neighbor."--The New York Times Modern Cuba comes alive in a vibrant portrait of a group of families's varied journeys in one community over the last twenty years. Cubans today, most of whom have lived their entire lives under the Castro regime, are hesitantly embracing the future. In his new book, Anthony DePalma, a veteran reporter with years of experience in Cuba, focuses on a neighborhood across the harbor from Old Havana to dramatize the optimism as well as the enormous challenges that Cubans face: a moving snapshot of Cuba with all its contradictions as the new regime opens the gate to the capitalism that Fidel railed against for so long. In Guanabacoa, longtime residents prove enterprising in the extreme. Scrounging materials in the black market, Cary Luisa Limonta Ewen has started her own small manufacturing business, a surprising turn for a former ranking member of the Communist Party. Her good friend Lili, a loyal Communist, heads the neighborhood's watchdog revolutionary committee. Artist Arturo Montoto, who had long lived and worked in Mexico, moved back to Cuba when he saw improving conditions but complains like any artist about recognition. In stark contrast, Jorge García lives in Miami and continues to seek justice for the sinking of a tugboat full of refugees, a tragedy that claimed the lives of his son, grandson, and twelve other family members, a massacre for which the government denies any role. In The Cubans, many patriots face one new question: is their loyalty to the revolution, or to their country? As people try to navigate their new reality, Cuba has become an improvised country, an old machine kept running with equal measures of ingenuity and desperation. A new kind of revolutionary spirit thrives beneath the conformity of a half century of totalitarian rule. And over all of this looms the United States, with its unpredictable policies, which warmed towards its neighbor under one administration but whose policies have now taken on a chill reminiscent of the Cold War. *The Life and Death of Che Guevara* Simon and Schuster Collects and analyzes seventy years of communist crimes that offer details on Kim Sung's Korea, Vietnam under "Uncle Ho," and Cuba under Castro.
