Summit 1(Teacher's Edition and Lesson Planner)(CD1 Pearson Education ESL

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the

language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

With its fresh new look, the third edition of the Summit program helps develop confident English speakers who are able to navigate a host of social and professional situations. This two-level course provides high-intermediate learners with an integrated set of global communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based pedagogy and continual recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series. Summit 1 covers competencies from B2 to B2 #43

Top Notch 1 Allyn & Bacon

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting important differences between spoken and written English; Step-by-step writing activities with models for students to follow; Innovative warm-up

exercises that precede the grammar charts and introduce points to be taught; Newly created exercises to give students more incremental grammar practice; Structure-based listening exercises that introduce students to relaxed, reduced speech"--Page 4 of cover.

Top Notch TV Princeton Review
