Read the story
behind the
award-winning
film Judas and

the Black
Messiah On
December 4,
1969, attorney
Jeff Haas was
in a police
lockup in
Chicago,
interviewing
Fred
Hampton's
fiancée.
Deborah
Johnson
described how

the police
pulled her
from the room
as Fred lay
unconscious
on their bed.
She heard one
officer say,
"He's still
alive." She
then heard
two shots. A
second officer
said, "He's
good and

dead now." She looked at Jeff and asked, "What can you do?" The Assassination of Fred Hampton remains Haas's personal account of how he and People's Law Office partner Flint Taylor pursued Hampton's assassins, ultimately prevailing over unlimited government resources and FBI conspiracy. Fifty years later, Haas writes that there is still an urgent need for the

revolutionary systemic changes Hampton was organizing to accomplish. Not only a story of justice delivered, this book spotlights Hampton as a dynamic community leader and an inspiration for those in the ongoing fight against injustice and police brutality. *For Better Or Cursed* Ember In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the

Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend

who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's

engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way. Undeniably Chosen Delacorte Press In this mesmerizing sequel to the New York Times bestseller *Girls of Paper and Fire*, Lei and Wren have escaped the oppression of the Hidden Palace, but their freedom comes at a terrible cost. Lei, the naive country girl

who became a royal courtesan, is now known as the Moonchosen, the commoner who managed to do what no one else could. But slaying the cruel monarch wasn't the culmination of her destiny -- it was just the beginning. Now Lei, with a massive bounty on her head, must travel the kingdom with her warrior love Wren to gain support from the far-flung rebel clans. Meanwhile, a plot to

<p>eliminate the rebel uprising is taking shape, fueled by dark magic and vengeance. Will Lei succeed in her quest to overthrow the monarchy, or will she succumb to the sinister magic that seeks to destroy her bond with Wren, and their very lives? protecting the innocent from evil--her life has been moving at 90 mph. During the day, she chases wild toddlers, and at night, she employs a different skill set for a different kind of demon. Like, literal ones. And sometimes it's almost fun. Her spells are getting better, her telekinesis is on point, and now that Esme's dad and her best friend Janis know the truth, she's no longer lying to the people she loves. She's

also learned that there's a way to undo her mother's curse, and with the Synod out of the picture, she might even have a chance to do it. If she could just figure out how. But she can't, and even with her mom living at home again, Esme can't shake the feeling that she's failing. Throw in the fact that Pig is still gone, Esme's crush is MIA, and it's cold, slushy February, and she's in bumper city. Esme needs a

serious pick-me-up, and Janis has a plan: a Galentine's stay-cation, with the Sitter friends Esme and Cassandra made at the Summit. Except things are getting weird in Spring River again. Esme and Cassandra just discovered a new band, and not in a good way: these guys reek of Red Magic, and their music sucks. Trouble is brewing, and if Esme's not careful, this show might be

her last--and no one likes a one-hit wonder. A Breath of Eyre Kiss Me Publications, LLC Maggie and Caleb must tie up all the loose ends of their lives and make a way to be together completely on their own. With everything that happened with Bish and Maggie's father, she's almost reluctant to move on and move out. And now she must figure out all of this...stuff...with Haddock.

But of course, nothing can stay simple for the Jacobsons. Enemies who were thought to be dissolved have decided to not go down so easily. And old flames come calling for more than just Maggie. Caleb is torn between leading his family and personal wants. Maggie is torn between Caleb and being the leader of their people. But neither will let what they need most to be pushed to

the wayside. They are determined to make it all work, design a plan toward destiny, and make everything right again for themselves and their family. And then there's a wedding... **Spells Like Teen Spirit** Kiss Me Publications, LLC In the 40 essays that constitute this collection, Guy Davenport, one of America's major literary critics, elucidates a range of literary

history, encompassing literature, art, philosophy and music, from the ancients to the grand old men of modernism. *Staying with the Trouble* Alyssa Rose Ivy In the sequel to *Significance*, Maggie learns much more about all the strange things that have happened to her and has to face many new ones. She learns something about herself, that she is something that the clans

have been waiting for. She rebels against it but, ultimately must face it for her new family's sake and maybe even her life. Bish went from being her biggest supporter to her biggest pain in the butt and Kyle's intentions to attract her interest may not be so innocent. Caleb and Maggie face many new obstacles together as a couple and on their own. They fight to work through

them but will one that should be a good thing be too much for Maggie to handle? Will she become who she has to be to save the ones she loves or will she crumble under the pressure as this epic love story continues. *Rebel Angels* OUP Oxford An illuminating, indispensable analysis of a watershed moment and its possible aftermath. For people and governments around the world, the

onset of the COVID-19 pandemic seemed to place the preservation of human life at odds with the pursuit of economic and social life. Yet this naive alternative belies the complexity of the entanglement s the crisis has created and revealed not just between health and wealth but also around morality, knowledge, governance, culture, and everyday subsistence. Didier Fassin and Marion

Fourcade have assembled an eminent team of scholars from across the social sciences to reflect on the myriad ways SARS-CoV-2 has entered, reshaped, or exacerbated existing trends and structures in every part of the globe. The contributors show how the disruptions caused by the pandemic have both hastened the rise of new social divisions and hardened old inequalities and dilemmas. An

indispensable volume, *Pandemic Exposures* provides an illuminating analysis of this watershed moment and its possible aftermath. Collide Hau In the third installment of the Significance series, we begin with Maggie and Caleb in the clutches of a new enemy; the Virtuoso council. Not only do they have to deal with the consequences of taking the lives of the

Watsons and the council attempting to take Maggie away to keep their precious Visionary safe, but they must deal with Marla as well. All are determined to undermine, control and use Caleb and Maggie's rare gifts for their own uses, some wish to destroy them entirely. Then Maggie's father and Bish are threatened but the council forbids the presence of humans. Peter and the family fight and stand

beside them every step of the way to save Maggie's father, to keep Caleb and Maggie together when the corrupted council is so set on keeping them apart and to stop Marla and whatever she has up her sleeve. Then Maggie has the shock of her life when she discovers something about her real father. It may change everything for everyone. Stay tuned as the story continues. Reverence Routledge

In the midst of spiraling ecological devastation, multispecies feminist theorist Donna J. Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants. She eschews referring to our current epoch as the Anthropocene, preferring to conceptualize it as what she calls the Chthulucene, as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices. The Chthulucene, Haraway explains, requires sym- poiesis, or making-with, rather than auto-poiesis, or self- making. Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures. Theoretically and methodologically driven by the signifier SF—string figures, science fact, science fiction, speculative feminism, speculative fabulation, so far—Staying with the Trouble further cements Haraway's reputation as one of the most daring and original thinkers of our time.

Adventures in Babysitting meets Buffy the Vampire Slayer in this funny, action-packed novel about a coven of witchy babysitters who realize their calling to protect the innocent and save the world from an onslaught of evil.

Seventeen-year-old Esme Pearl has a

babysitters club. She knows it's kinda lame, but what else is she supposed to do? Get a job? Gross.

Besides, Esme likes babysitting, and she's good at it. And lately Esme needs all the cash she can get, because it seems like destruction follows her wherever she goes. Let's just say she owes some people a new tree. Enter Cassandra Heaven. She's Instagram-model hot, dresses like

she found her clothes in a dumpster, and has a rebellious streak as gnarly as the cafeteria cooking. So why is Cassandra willing to do anything, even take on a potty-training two-year-old, to join Esme's babysitters club? The answer lies in a mysterious note Cassandra's mother left her: "Find the babysitters. Love, Mom." Turns out, Esme and Cassandra have more in

common than they think, and they're about to discover what being a babysitter really means: a heroic lineage of superpowers, magic rituals, and saving the innocent from seriously terrifying evil. And all before the parents get home. At Home in Exile Kiss Me Publications, LLC

Significance

Quinn Loftis Books, LLC
In this stunning, imaginative novel, Eve Marie Mont transports her modern-day heroine into the life of Jane Eyre to create a mesmerizing story of love, longing, and finding your place in the world. . . Emma Townsend has always believed in stories--the ones she reads voraciously,

and the ones she creates. Perhaps it's because she feels like an outsider at her exclusive prep school, or because her stepmother doesn't come close to filling the void left by her mother's death. And her only romantic prospect-- apart from a crush on her English teacher--is Gray Newman, a long-time friend who just adds to Emma's confusion. But escape soon arrives in an old leather-

bound copy of Jane Eyre. . . Reading of Jane's isolation sparks a deep sense of kinship. Then fate takes things a leap further when a lightning storm catapults Emma right into Jane's body and her nineteenth-century world. As governess at Thornfield, Emma has a sense of belonging she's never known--and an attraction to the brooding Mr. Rochester. Now, moving between her two realities and uncovering secrets in both, Emma must decide whether her destiny lies in the pages of Jane's story, or in the unwritten chapters of her own. . . "Captivating and heartrending. . . Definitely one for the favorites shelf."--Kelly Creagh, author of *Nevermore* "A rich, wonderful, smart adventure, steeped in romance. I fell into this book in the same way Emma falls into Jane Eyre and I didn't want to fall back out again." -- Lesley Livingston, author of *Once Every Never* and the *Wondrous Strange* trilogy *Eve Marie Mont* lives with her husband, Ken, and her shelter dog, Maggie, in suburban Philadelphia, where she teaches high school English and creative writing.
