The Enochian Tarot
Llewellyn Worldwide
Experience a new reality

through wondrous visions of the Enochian angels Enochian magick, a system of angelic evocation, is one of the oldest forms of ceremonial magick in the Western world, and perhaps the single most powerful magical system in all occultism. It was

developed by the Elizabethan magician Dr. John Dee who, with the assistance of his seer, Edward Kelly, channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm.

Whether you are a beginner on your path of study or already an advanced magician, there is something for you in Enochian Initiation. Author Frater W.I.T. shares his own experiences and deeply personal visions, expanding upon and broadening the path toward understanding forged by John Dee, Aleister Crowley, and other great magicians who have come before. By bringing this practice into the modern era, Frater W.I.T. shows how human consciousness can

be expanded and examined more closely than with simple meditation, psychoanalysis, or even mind-altering drugs. For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans, rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context. Frater W.I.T. has developed a nonreligious spirituality in his

conjunctions while still using Hebrew and Enochian divine names. Through this book, you too will learn how to develop new techniques and ideas to shape your own magical style and method. An initiate of both the Masonic and Rosicrucian schools of mystery, Frater W.I.T. has spent more than twenty years studying western occult traditions. The purpose of his life's work is to develop new methods of ceremonial magick and explore new vistas of psychic and

spiritual potential.
Basics of Magic, Book 1

Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main

versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and

contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

Llewellyn Worldwide

A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap

more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their

communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power

Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical

power of the Divine and begin restoring the planetary magic of our most ancient ancestors. The Lost Art of Enochian Magic Weiser Books You may have heard people speak of it in hushed tones: Enochian magick! Some say it is dangerous. Others say it is the most powerful magick known. Now you can find out the truth when you read The Enochian Magick of Dr. John Dee by Geoffrey James (previously published as The Enochian Evocation of Dr.

John Dee). This system was received by Dr. John Dee, astrologer to Queen Elizabeth I of England, and his assistant, Edward Kelly. Together, through a series of evocations, they discovered a system of magick so potent that some people fear to use it. Now you can learn the entire Enochian system as never before. Previously, people went to secondary sources such as the Golden Dawn or Aleister Crowley for information on the Enochian system. Here, for the first time, are the diaries of Dr. Dee,

which reveal the entire system so you can use it for a wide variety of magical purposes. Presented here is the definitive version of the forty-eight angelic keys according to Dee himself. Revealed are the names of the sixteen good angels who are most skilled and powerful in medicine and in the curing of diseases, as well as the sixteen angels of the four elements. Every step of the method by which Dee and Kelly worked their evocations is fully explained so you can

recreate their experiments and tap into some of the most powerful magic available. *The Book of English Magic* Simon and Schuster Enochian Magic is the most powerful magical system existed today. There are many books written about enochian magic and many magical systems developed in the basis of enochian system. This book remove all the complexity of the enochian system and create a better way to

communicate with the angels. This book is a step by step guide includes - Basic Magical training and meditation. -Protection Rituals. -Details of the enochian tools. -48 enochian calls and how to execute them. *The Book of Giants* Weiser Books An exploration of the scientific, historical, and paranormal qualities of quartz crystals and ancient crystal skulls • Explores the use of crystals throughout history, including their role in Atlantis and in

alien technology • Offers step-by-step instructions to successfully use crystals in scrying, meditation, and Enochian magic • Includes never-before-published scientific findings on the author's crystal skull as well as other crystal skulls researched at the British Museum • Explains how the Space-Time Crystal Matrix connects the physical world with the spiritual and may be the communication technology of the future Known for his in-depth scientific work on the

Shroud of Turin and the Great Pyramid of Giza, John DeSalvo, Ph.D., now sets his sights on quartz crystals and their mystical counterpart, crystal skulls. Exploring the use of crystals from Mesopotamia and ancient Egypt to present-day technology, including their use in ritual and ceremonial magic and their importance in ancient religious literature, he examines the many physical and chemical properties of quartz crystals and explains how their

crystalline lattice structure is the key to their amazing abilities, both scientific and paranormal. Reviewing the many paranormal claims about crystal skulls, DeSalvo reveals the scientific findings on his own ancient crystal skull as well as research by the British Museum on other famous crystal skulls. His investigation also extends to the recent discovery in Tibet of a trove of Dropa discs--grooved stones allegedly recording an ancient alien visit to Earth. Highlighting

the use of quartz crystals and crystal skulls for psychic and spiritual purposes, DeSalvo offers step-by-step instructions for their use in scrying, meditation, and Enochian magic, including communication with angels. Reviewing accounts of power crystals in Atlantis and their use in alien technology, he explains how crystals connect the physical world with the spiritual via a powerful communication network linking all crystals and their memories--the

Space-Time Crystal Matrix, a spiritual technology lost to the ages but which may become the communication system of the future.

A comprehensive look at the life and continuing

influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science,

Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his

time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for

contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in

precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of

Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

The Practice of Enochian Magick Golden Hoard Press
The first of Frater Yechidah's eagerly

awaited Enochian Magic series, detailing John Dee and Edward Kelley's magical system in extraordinary detail, from the Heptarchic system to Enochian proper. Yechidah provides a unique mix of thorough research with his own experience and understanding from using the system for many years, resulting in a book that is both scholarly and insightful. He explores the history behind the famous magician and seer, shows how the system was delivered, explains why it

is such a powerful magical tool, and answers many of the questions that people have asked about the nature of the angelic beings. Gain an indepth knowledge of Enochian magic. Learn how to derive the names of angels from the various tablets. Discover the purpose of the tools. Ponder the mysteries of the more obscure parts of the system, with Yechidah's suggestions for what they might mean. This tome provides a comprehensive overview of the Enochian

system for both scholars and magicians, with excerpts from Dee's diaries and insights from a number of Enochian magicians over the last century. Enochian Magic in Theory is the first of a two part series on Dee's angelic system, with Enochian Magic in Practice providing the practical instructions for how to put the magic into use.

There is no such thing as a simple ritual to make you an overnight success.

This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a

lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late

to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick

should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken

by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success. *The Angelical Language, Volume I* Simon and Schuster
Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading

scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man"? detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be

the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New

World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions

and references into context for the modern reader.

Enochian Magic in Theory Simon and Schuster

The complete reference for understanding the Enochian language (“the language of the angels”), the proper pronunciation of the letters of the Enochian alphabet, and the use of evocations to call forth celestial beings and perform Enochian magic. In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of scrying

experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian, the language of the angels. Dr. Dee's efforts furthered the development of the system of Enochian magic and his methods of invocation have been taken up and expounded upon by Aleister Crowley and many other magicians. Donald C.

Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. He provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and an essential Enochian/English and English/Enochian dictionary. The result is a fascinating linguistic and magical mystery story integral to any study of

the Enochian tradition. This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers. Lon Milo DuQuette's foreword gives a delightful and edifying description of how he and his students put The Complete Enochian Dictionary to the test with astonishing results. This book is a must-have for any serious magician's library. Everyday Magic Llewellyn Worldwide
This is a sequel to

Enochian Magic: A Practical Manual. In this book, Schueler provides everything for the serious practitioner of the Enochian system—a system that is complete in itself, and yet easily related to other systems of Qabalistic or Shamanistic magick. It is an ideal book for beginning, intermediate or advanced students of magick and a vital resource and guidebook for occult Orders and Lodges.

Enochian Vision Magick
Simon and Schuster

The second of Frater Yechidah's eagerly awaited Enochian Magic series, detailing John Dee and Edward Kelley's magical system in extraordinary detail, from the Heptarchic system to Enochian proper. This expansive volume goes beyond the theory, giving a detailed, thorough and comprehensive guide on how to put Enochian magic into practice, from skyring and evocation to tools and talismans, and, for the first time ever, a complete method for the binding of Cacodaemons.

This tome gives easy to follow instructions on how to use the Enochian system, both from the original Dee perspective, and also from more modern techniques, such as those employed by the Golden Dawn, Aleister Crowley, the Order of the Sons and Daughters of Light, and other pioneering magicians. *The Lost Pillars of Enoch* Llewellyn Worldwide The influential occultist distills the sixteenth-century writings of Elizabethan Magi John Dee and Edward Kelly in this

authoritative and accessible volume. Enochian magick is a powerful system of ceremonial magic based on the writings of John Dee and Edward Kelly, who claimed that their information was presented to them directly from angels. It is named after the biblical prophet Enoch and is perhaps the most powerful and elegant of all magical systems. Dee and Kelley's work has formed the basis for countless magical systems, such as the

Hermetic Order of the Golden Dawn, and has inspired magicians from all the generations that followed, including Crowley himself. This book presents readers with the Enochian selections from Crowley's semiannual magical journal *The Equinox*. It features Crowley's distillation of the work of Dee and Kelley along with an introduction by Lon Milo DuQuette, master occultist.
Low Magick Inner Traditions
"The greatest guide ever

written—by our greatest living teacher of magick—to the greatest occult system on Earth." —from the forward by Jason Louv, author of *John Dee and the Empire of Angels* Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527-1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner

Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of “calls” to be recited in an angelic language in order to raise the consciousness of the magician to a level where

angelic contact is possible. In Enochian Vision Magick, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back

matter by the author as well as a new foreword by Jason Louv.
