Ambrose Bierce is considered a modern master of the short story. A soldier with the Union Army during the American Civil War (1861-1865), his experiences as a soldier influenced his writing. While no anthology would be complete without "An Occurrence at Owl Creek Bridge", this collection of Bierce's stories includes ghost stories, tales of war, humorous episodes, stinging aphorisms, and political articles. Ambrose Bierce (1842-1914) was one of the greatest writers ghost stories in American literature. He was a journalist, critic and writer and wrote many short stories, many of which can be categorised as horror stories, or ghost stories. This volume contains for the first time, all 40 of his ghost and horror stories. There have been numerous other collections but these have typically contained only 9 to 24 of his ghost stories. This volume contains for the first time, all 40 of his ghost and horror stories. If you like classic ghost stories such as those by Edgar Allen Poe, H P Lovecraft, Arthur Machen or any of the other classic ghost story writers, you are sure to love Bierce's stories with their dark imagery and haunting foreboding.

Ambrose Gwinnett Bierce (1842 - 1914) was an American editorialist, journalist, short story writer, fabulist, and satirist. He wrote the short story "An Occurrence at Owl Creek Bridge" and compiled a satirical lexicon, *The Devil's Dictionary*. His style often embraces an abrupt beginning, dark imagery, vague references to time, limited descriptions, impossible events and the theme of war. In 1913, Bierce traveled to Mexico to gain first-hand experience of the Mexican Revolution. While traveling with rebel troops, he disappeared without a trace. In this book: *The Devil's Dictionary* *Can Such Things Be?* *An Occurrence at Owl Creek* *Present at a Hanging and Other Ghost Stories*

Can Such Things Be? Courier Corporation

American journalist and satirist Ambrose Bierce is one of the most famous and fascinating figures in all of American literature. He led an adventurous and eventful life, beginning with his birth in a log cabin, to his time as a Civil War soldier, followed by his career as an author and journalist, to finally his mysterious disappearance during the Mexican Revolution at age 71. Bierce is perhaps best known for his short stories about the American Civil War, which influenced authors such as Ernest Hemingway and Stephen Crane. He was also an accomplished horror story writer, whose work inspired the tales of H. P. Lovecraft. Bierce's gift for story-telling is exemplified by his famous "An Occurrence at Owl Creek Bridge", which is the story of Peyton Farquhar, a Confederate sympathizer condemned to die by hanging upon the Owl Creek Bridge. It is one of the most anthologized of American short stories and showcases his cutting wit and talent for irony and surprise. This story, along with numerous others, is collected in this representative edition of "The Collected Short Stories of Ambrose Bierce". This edition is printed on premium acid-free paper.

In *The Devil's Dictionary* Ambrose Bierce defined "war" as "a by-product of the arts of peace." A Civil War veteran, Bierce had absolutely no illusions about "courage," "honor," and "glory" on the battlefield. These stories form one of the great antiwar statements in American literature. Included here are the classic *An Occurrence at Owl Creek Bridge*, *Chickamauga*, *The Mocking Bird*, *The Coup de Grâce*, *Parker Anderson*, *Philosopher*, and other stories celebrated for their intensity, startling insight, and mastery of form.

The Essential Ambrose Bierce Collection Penguin UK

Hugh Morgan's corpse lays savaged on the floor of a wood cabin, and becomes the subject of an inquest into how he perished. No evidence that can be found explains how he died, however. His friend claims that he suffered convulsions, while Morgan's diary indicates insanity - a claim only strengthened by his obsession with "the damned thing -" but perhaps there is more to Morgan's ramblings than is realised at first...

The Civil War Short Stories of Ambrose Bierce CreateSpace

He was the successor of Edgar Allan Poe and a harbinger of H. P. Lovecraft, penning some of the most shocking, savage horror stories in the English language. His dark, literary universe was haunted by shadowy monsters who never quite revealed themselves, only stalking in the dim background like woodland predators around a campfire. And what better stories for any campfire's company: he wrote twilight tales of seductive werewolves, zombie resurrections, nights spent with corpses in empty houses, haunted cabins, killer robots, wartime ghost stories, invisible predators, reincarnated spirits, family curses, ghoulish graveyards, jilted ghosts' violent revenges, mysterious disappearances, spectral visions, guilt-maddened murderers, and battlefield carnage. There was never a better author to read around the snapping flare of a lonely campsite than the

rustic, existential horror stories of Ambrose Bierce. In death, as in life, Bierce is defined by contradictions. He was a mystical materialist, a cynical idealist, and a compassionate curmudgeon. His stories - especially those which we can classify as horror or fantasy - illustrate a world which fails to live up to its promises. As he wrote in "The Devil's Dictionary," a ghost is the outward sign of an inward fear - a visual signifier of a spiritual sickness. His stories are loaded with spooks of this sort. These are the ghosts of what should be. They are the ghosts of a murdered potential: the potential to do life well - properly, as it should be. His stories are haunted by monsters of automated technology ("Moxon's Master"), intellectual insecurity ("The Damned Thing"), sexual anxiety ("Eyes of the Panther"), and hereditary corruption. Failure is the chief of all these phantoms, however. Failure to do what one ought, and become what one should. This was a deeply personal boogeyman for Bierce. One which cast its shadow over his life and stamped its footprints into his fiction. What he left behind him, after vanishing into the dusty Mexican air, was a universe bedeviled by disappointment - in mankind, in the universe, and in himself. It is a raw and savage universe, but one dimly illuminated by Bierce's frustrated idealism. We can see the shadows for that light, but in those shadows, what monsters lurk.

[A Holy Terror](#) Courier Corporation

Bierce edited the twelve volumes of *The Collected Works of Ambrose Bierce*, which were published from 1909 to 1912. The seventh volume consists solely of *The Devil's Dictionary*. Bierce has been criticized by his contemporaries and later scholars for deliberately pursuing improbability and for his penchant toward "trick endings". In his later stories, apparently under the influence of Maupassant, Bierce "dedicated himself to shocking the audience", as if his purpose was "to attack the reader's smug intellectual security". Bierce's bias towards Naturalism has also been noted: "The biting, deriding quality of his satire, unbalanced by any compassion for his targets, was often taken as petty meanness, showing contempt for humanity and an intolerance to the point of merciless cruelty". Stephen Crane was of the minority of Bierce's contemporaries who valued Bierce's experimental short stories. In his essay "Supernatural Horror in Literature", H. P. Lovecraft characterized Bierce's fictional work as "grim and savage." Lovecraft goes on to say that nearly all of Bierce's stories are of the horror genre and some shine as great examples of weird fiction. Ambrose Gwinnett Bierce (June 24, 1842 - circa 1914) was an American Civil War soldier, wit, and writer. Bierce's story *An Occurrence at Owl Creek Bridge* has been described as "one of the most famous and frequently anthologized stories in American literature"; and his book *Tales of Soldiers and Civilians* (also published as *In the Midst of Life*) was named by the Grolier Club as one of the 100 most influential American books printed before 1900. A prolific and versatile writer, Bierce was regarded as one of the most influential journalists in the United States. For his horror writing, Michael Dirda ranked him alongside Edgar Allan Poe and H.P. Lovecraft." as a pioneering writer of realist fiction. His war stories influenced Stephen Crane, Ernest Hemingway, and others, and he was considered an influential and feared literary critic. In recent decades Bierce has gained wider respect as a fabulist and for his poetry. In December 1913, Bierce traveled to Chihuahua, Mexico, to gain first-hand experience of the Mexican Revolution. He disappeared, and was rumored to be traveling with rebel troops. He was never seen again. His vehemence as a critic, his motto "Nothing matters" and the sardonic view of human nature that informed his work all earned him the nickname "Bitter Bierce". Despite his reputation as a searing critic, Bierce was known to encourage younger writers, including poet George Sterling and fiction writer W. C. Morrow. Bierce employed a distinctive style of writing, especially in his stories. His style often embraces an abrupt beginning, dark imagery, vague references to time, limited descriptions, impossible events and the theme of war. (from Wikipedia)

[Tales of Soldiers and Civilians](#) Simon and Schuster

For the first time collected together as a themed book of macabre stories, we have all forty nine of Bierce's weird tales. There have been editions of selected tales, but no book so far has put them all together. Only read all together, can the reader obtain a proper overview of Bierce's genius when it comes to the literary form of the short story.

[The Moonlit Road and Other Ghost and Horror Stories](#) Lindhardt og Ringhof

"An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American literature", it was originally published by *The San Francisco Examiner* on July 13, 1890, and was first collected in Bierce's book *Tales of Soldiers and Civilians* (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's

abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at Resaca", "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

[The Complete Short Stories of Ambrose Bierce](#) Books for Libraries

Ambrose Bierce never owned a horse, a carriage, or a car; he was a renter who never owned his own home. He was a man on the move, a man who traveled light: and in the end he rode, with all of his possessions, on a rented horse into the Mexican desert to join Pancho Villa -- never to return. Can Such Things Be? Once William Randolph Hearst -- Bierce's employer, who was bragging about his own endless collections of statuary, art, books, tapestries, and, of course real estate like Hearst Castle -- once William Randolph Hearst asked Bierce what he collected. Bierce responded, smugly: "I collect words. And ideas. Like you, I also store them. But in the reservoir of my mind. I can take them out and display them at a moment's notice. Eminently portable, Mr. Hearst. And I don't find it necessary to show them all at the same time." Such things "can be. twenty-four tales of the weird by Ambrose Bierce, renowned master of the macabre (jacketless library hardcover)

"The ghost is the most enduring figure in supernatural fiction. He is absolutely indestructible... He changes with the styles in fiction but he never goes out of fashion. He is the really permanent citizen of the earth, for mortals, at best, are but transients" - Dorothy Scarborough This new selection of ghost stories, by Michael Newton, brings together the best of the genre. From Elizabeth Gaskell's 'The Old Nurse's Story' through to Edith Wharton's 'Afterword', this collection covers all of the most terrifying tales of the genre. With a thoughtful introduction, and helpful notes, Newton places the stories contextually within the genre and elucidates the changing nature of the ghost story and how we interpret it.

[The Damned Thing and Other Horrors: The Best Weird Fiction and Ghost Stories of Ambrose Bierce: Annotated and Illustrated](#) Kent State University Press

Buried treasure. An abandoned cemetery. An inexperienced gravedigger. What could go wrong? When Jefferson Doman learns of a generous treasure left by an old friend, he locates the supposed burial site - the grave of a mysterious woman named Scarry. As he begins to dig, he uncovers much more than just treasure. Ambrose Bierce's 'A Holy Terror' follows the misadventures of Jefferson Doman and the bizarre, disturbing, and inexplicable things that he encounters along the way. Sparing descriptions, a fast pace, and an irresistible mystery make this story unmissable for fans of Jack London, Mark Twain, and H.P. Lovecraft. Ambrose Bierce (1842-1914) was an American author and journalist. Affectionately known as 'Bitter Bierce', his horror and fiction stories are famed for their cynicism, obscurity, and sardonic view of human nature. Some of his most notable works include 'An Occurrence at Owl Creek Bridge', 'Tales of Soldiers and Civilians' and 'The Moonlit Road'.
