Angie Bellemare Designer Relationships A To Happy This makes it

possible to create what Kenneth Haslam, founder of the Kinsey

Institute's Polyamory Archive, has called "designer relationships."

Designer relationships may encompass: people who bond

emotionally but not sexually; people who agree to be non-

exclusive; single people who have occasional lovers or friends

with benefits; multiple partner configurations where long-term

bonds exist among all or some; partnerships in which people are

kinky and that make room to explore kink. Designer Relationships:

A Guide to Happy Monogamy ... Designer Relationships is an

excellent handbook for anyone seeking to create intimate

relationships that are mutually fulfilling, loving, and full of

passion. Michaels and Johnson have created exactly what they

set out to create: an accessible, quick-reading guide that works

for just about any kind combination of partners regardless of

number, gender, or sexual proclivity. Designer Relationships: A
